OUR BUSINESS LINES

The Group offers a comprehensive range of integrated logistics services including international freight forwarding, chemical storage and logistics, warehousing and distribution, and record management. The Group is also engaged in real estate business in property management, development and investment. Its financial services include fund management and financial leasing services.

OUR NETWORK

Through its global network, the Group is able to connect its customers to over 600 destinations throughout the world. The Group's international freight forwarding business is supported by operations in China, Malaysia, Thailand, Korea and Myanmar and strong strategic partnerships with over 120 freight forwarding agents worldwide.

From a trusted global logistics solutions provider, we have grown and evolved into a dynamic company with a suite of complementary business lines.

ANNUAL REPORT 2024

OUR BUSINESS LINES

INTEGRATED LOGISTICS SERVICES

For many years, we have carved a strong reputation as a reliable global provider of integrated logistics solutions.

Our Group designs, engineers and manages total logistics solutions, leveraging on its in-depth domain knowledge, innovative capabilities and global logistics infrastructure, powered by information technology and automation.

REAL ESTATE BUSINESS

Complementary to our full suite of integrated logistics solutions, the Group also provides build-to-suit lease solutions for our customers. Additionally, the Group also provides property management services to high-tech industrial park and general warehouses. The Group also invested in various types of properties, such as residential, commercial and industrial building.

FINANCIAL SERVICES

Vibrant Group engaged in financial services such as fund management and financial leasing services.

Vibrant Group invested in Sentosa Asian Credit Offshore Feeder Fund Limited, a liquid Asian ex-Japan credit fund investing in both hard currency bonds (US\$/G3) and local currency denominated Asian bonds.

MESSAGE TO SHAREHOLDERS

DEAR SHAREHOLDERS.

On behalf of the Board of Directors, I am pleased to present the Annual Report of Vibrant Group Limited (the "Company" and collectively with its subsidiaries, the "Group") for the financial year ended 30 April 2024 ("FY2024").

The Group ended FY2024 with a net profit attributable to shareholders of \$0.6 million, an improvement from \$0.2 million in FY2023. The result was achieved despite the challenges posed by volatile economic conditions, arising from geopolitical conflicts and heightened competition due to declining demand. Management's proactive approach included identifying specific services for price adjustments, refining our range of services, and reallocating resources to higher-yield segments. In addition, the Group closely monitored external market factors such as freight rates and warehouse scarcity in order to make sound business decisions.

FINANCIAL REVIEW

Throughout FY2024, the freight forwarding industry faced challenges such as softer freight rates, disrupted frequencies and route issues, while warehousing services saw a decline in demand corresponding to reduced cargo movements. Despite these challenges, the Group recorded revenue of \$138.9 million in FY2024, an 18.4% decrease from \$170.4 million in the previous financial year. However, a corresponding reduction in the cost of sales allowed us to maintain consistent gross profit margin of 33.8% compared to 33.7% in FY2023.

Other operating expenses saw a decrease of 24.6% from \$10.1 million in FY2023 to \$7.6 million in FY2024, primarily due to lower foreign exchange losses. The Group reversed impairment loss on trade and other receivables of \$0.4 million during the year, compared to a recognition of \$2.3 million in the previous year, following an assessment of the recoverability of the trade and other receivables. In addition, the Group also reversed an impairment loss of \$2.5 million on its investments in associates, as opposed to recognition of \$2.6 million in FY2023.

MESSAGE TO **SHAREHOLDERS**

Altogether, the Group's net profit attributable to shareholders of the company increased from \$0.2 million in FY2023 to \$0.6 million in FY2024. Despite a challenging year, the Group's financial position remains stable, supported by conservative financial practices. As of 30 April 2024, total assets amounted to \$478.0 million, with cash and cash equivalents of \$60.9 million and a net gearing of 0.47 times.

KEY EVENTS

In FY2022, the Group announced the entry into a conditional subscription agreement through our associated company, Vibrant Equities Pte. Ltd. ("Vibrant Equities") for the subscription of new shares and grant of options to subscribe for new ordinary shares in Hiap Seng Engineering Ltd. Between FY2022 to FY2024, the Company made further announcements in relation to a series of proposed subscriptions, proposed grant of options, proposed debt restructuring and proposed transfer listing, which were completed in FY2024. As a result, Hiap Seng Engineering Ltd became a wholly-owned subsidiary of Hiap Seng Industries Limited, listed and quoted on the Mainboard of the SGX-ST. The Group believes that the transaction is in line with its corporate strategy to expand its logistics business initiatives.

REWARDING OUR SHAREHOLDERS

In light of the challenging economic and business landscape and considering future plans, the Board has recommended a first and final one-tier tax-exempt dividend of 0.20 cent per ordinary share, subject to shareholders' approval at the upcoming Annual General Meeting to be held on 30 August 2024. This dividend will be paid fully in cash.

OUTLOOK

The Group will remain vigilant of the impacts of port congestion, fluctuations in freight rates, and the demand and supply of

warehousing services, among other factors affecting trade flows. Management will adapt swiftly to seize opportunities and mitigate threats, leading the Group towards positive outcomes despite volatilities. With our continuous initiatives in relation to digitalisation, automation, staff training and improving productivity, which have been integral to our business transformation over the past years, the Group is confident in its ability to provide logistics solutions that exceed customer expectations, regardless of the ever-evolving needs of the logistics industry.

SUSTAINABILITY

The Group is committed to sustainability and continuously strives towards more sustainable business practices. In June 2024, the Group successfully installed another solar photovoltaic system at our third warehouse facility at Changi, as part of Singapore's green energy initiatives. The Group also values giving back to the society through volunteering works and charitable donations. These activities are not limited to the local community but extend to other countries as well.

ACKNOWLEDGEMENT

I extend my heartfelt gratitude to our customers, shareholders, business associates, partners and stakeholders for their unwavering support and valuable contributions over the years. I would also like to express my appreciation to my fellow Board members, the management team, and every employee of the Group for their tireless commitment to the business.

Thank You.

SEBASTIAN TAN CHER LIANG

Chairman

主席致辞

尊敬的股东们,

我很荣幸代表董事会呈递辉联集团("公司"及其子公司统称为"集团")截至2024年4月30日的财政年度("2024财年")报告。

集团在2024财年取得了归属于公司股东60万新元的净利润,较2023财年的20万新元有所提高。尽管面临地缘政治冲突和需求下降,导致竞争加剧等经济状况不稳定带来的挑战,集团依然取得盈利,保持业绩增长。管理层采取积极的措施,包括调整特定服务价格、完善服务范围以及重新分配资源给更高收益的措施。此外,集团密切关注货运价格、仓库稀缺等外部市场因素。

财务回顾

在2024财年,货运代理行业面临运费疲软、持续的纷争和航线问题,而仓储服务行业因货物运输减少而导致需求下降。尽管面临这些挑战,集团在2024财年依然取得了1.39亿新元收入,比上一财年的1.70亿新元收入下降了18.4%。尽管如此,基于货运成本的相应减少使我们得以维持33.8%的毛利率,与2023财年的33.7%,基本持平。

其他营业费用由2023财年的1,010万新元减少至2024财年的760万新元,减幅为24.6%,主要是汇兑损失的减少。在对应收账款及其他应收款的可收回性进行评估后,集团于本年度冲回应收账款及其他应收款减值损失40万新元,而2023财年的减值损失为230万新元。此外,集团冲回对联营公司投资的250万新元的减值损失,而2023财年确认了260万新元的减值损失。

总的来说,集团归属于公司股东的净利润从2023 财年的20万新元增加到2024财年的60万新元。尽 管这一年充满挑战,集团保持谨慎的财务管理,确 保稳健财务状况。截至2024年4月30日,集团总资 产高达4.78亿新元,现金及现金等价物6,090万新元,净负债率为0.47。

重大事件

在2022财年,集团通过其联营公司Vibrant Equities Pte Ltd ("辉联股份")签订有条件认购协议。辉联股份认购协成工业有限公司新股并授予新股认购权。在2022财年至2024财年期间,协成公司成功执行债务重组方案,并于2024财年完成。为此,协成工业有限公司已在新交所主板上市。集团相信这项投资有助于集团扩展物流业务。

主席致辞

股息

基于我们的财务表现以及对未来的规划,董事会建议每普通股颁发免税股息0.2分新元,此建议会在8月30日即将召开的年度股东大会上提呈予股东批准。集团将以现金方式全额支付股息。

展望未来

集团将继续关注港口拥堵、运费波动、仓储服务供求等影响贸易流量因素。管理层将迅速适应,化解危机,抓住机遇,带领集团在任何波动中取得积极成果。不论在数字化、自动化、员工培训和提高生产力方面,凭借我们在过去几年不断业务转型的持续举措,集团有信心在任何情况下提供超出客户期望的物流解决方案,满足物流业不断变化的需求。

可持续发展

集团致力于可持续发展,并不断努力实现可持续发展的商业实践。2024年6月,响应新加坡绿色能源计划,集团在位于樟宜的仓库设施成功安装第三套太阳能光伏系统。集团亦重视通过志愿服务及慈善捐款回馈社会。这些活动不仅限于当地社区,还扩展到其他国家。

致谢

我谨向所有客户、股东、合作伙伴给予我们的信任和不懈支持,表示衷心谢意。同时也向董事会,管理团队以及集团的每位成员,对他们的辛勤工作和无私奉献,表示真挚感谢。

陈之亮

集团主席

REVIEW OF **OPERATIONS**

The Group concluded the financial year ended 30 April 2024 ("FY2024") with net profit attributable to shareholders of \$0.6 million. The Group registered a revenue of \$138.9 million for FY2024, a decrease of 18.4% compared to the previous financial year. This decline was primarily due to the decrease in the freight and logistics segment, which remains the primary contributor, accounting for 94.8% of the total revenue.

FREIGHT AND LOGISTICS SERVICES

The freight and logistics segment recorded a total revenue of \$131.6 million in FY2024, representing a 19.2% decline compared to FY2023. The segment reported a net profit of \$7.8 million in FY2024 compared to \$14.1 million in FY2023.

International Freight Forwarding

The drop in revenue, approximately 26.0% for the year, was largely attributed to decreasing freight rates, route disruptions and global economic pressures. Increased competition coupled with declining demand also contributed to the decrease.

To maintain its foothold, the division focused on securing new customers, increasing trade lanes and boosting sales volume of existing customers. These efforts included increasing sailing frequencies and optimizing routes for efficient less-than-container load cargo shipping despite frequent delays. By conducting

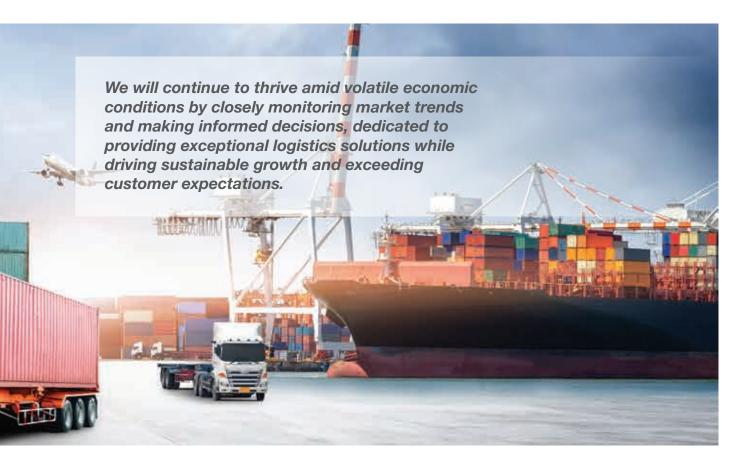

extensive market research, the division was able to monitor external market factors such as fuel prices, freight rates, tariffs, and trade agreements, meeting rising customer expectations with personalized solutions and flexible service options.

Emphasizing digital transformation, the freight forwarding division launched a new web portal for real-time cargo tracking, which improved connectivity with partners. In addition, it continued developing a smart freight management system leveraging Artificial Intelligence tools to enhance service levels and accuracy.

The division continued strengthening its global network through collaborations and partnerships with overseas agencies, thereby successfully expanded its range of services across Europe, Asia, Africa and Australia. To better serve its customers and increase staff productivity, the division upskilled employees through professional courses in both technical knowledge and soft skills.

During the year, our subsidiary in Thailand achieved distinction of being the first company to pass the Thai government's industry standard agent audit, maintaining stringent health and safety management practices. In terms of social responsibility, the company sent qualified staff to universities to share knowledge and educate students on multimodal transport law.

REVIEW OF **OPERATIONS**

Looking ahead, the division remains cautious of influences from geopolitical conflicts, potential effects from port congestion, space constraints, frequent vessel delays, route diversions, and fluctuations in freight rates. The division will remain vigilant and adaptable, dedicated to maintaining its foothold in the industry.

Warehousing and Logistics

Warehousing services, one of the core businesses of the Group, recorded a revenue decline of 7.9% in FY2024 due to decreased cargo movements in line with a slowing economy. Persistent inflation and high interest rates also put pressures to its operating profits.

To mitigate these factors, the division maintained revenue by adjusting prices for specific services to align with market conditions and competitiveness while maintaining high customer satisfaction. It reallocated significant warehouse space to higher-yield segments and formed strategic partnerships with external vendors for selective non-core services.

The division also added focus on costs control which include reducing electricity spending by obtaining solar electricity at a significant discount compared to prevailing energy rates charged

by electricity retailers. In addition, another solar photovoltaic system installation for its third warehouse facility at Changi was completed in June 2024.

Investment in Information Technology saw enhancements to the warehouse management system and the launch of a new tracking website integrated with port databases has helped improve operational efficiency. The division also reviewed and improved processes to enhance operational efficiency and staff productivity. Partnerships with Workforce Singapore helped upskill and reskill staff, resulting in the evolution of workplace processes to foster innovation and productivity. It is also supportive of the Singapore's Labour Movement and has been accredited with the Progressive Wage Mark since 2023.

The outlook of general warehousing shows a potential decline from the heightened demand of previous years as the gap between demand and supply narrows. The division will continue to thrive amid volatile economic conditions by closely monitoring market trends and making informed decisions, dedicated to providing exceptional logistics solutions while driving sustainable growth and exceeding customer expectations.

REVIEW OF **OPERATIONS**

Chemical Logistics

The Chemical logistics division reported a 10.1% decline in revenue in FY2024 due to reduced inventory holdings caused by a demand slowdown. This was influenced by weak regional demand, ongoing geopolitical tension, and persistent high interest rates and inflation.

The division managed these challenges by closely monitoring business cost, including cost cutting measures on cost of sales and administrative cost. By exploring new digital solutions to enhance accessibility, efficiency and productivity, the division has improved its IT network's overall security and responsiveness. New training programmes aligned with the Occupational Progressive Wages program ensured employees were equipped with necessary skills.

As part of regular efforts to improve its safety performance, the division has an ongoing project with a customer and their appointed vendor to develop a set of monitoring and emergency response protocols for a Dangerous Goods substance stored in the division's premises. During the year, LTH Logistics achieved a gold award for Distribution Code and Achievement Award for Employee Health & Safety Code at the Singapore Chemical Industry Council Responsible Care Awards.

Looking ahead, the division anticipates persistent challenges in the chemical logistics industry due to inconsistent economic growth, geopolitical conflicts and disrupted global supply chain

activities. In addition, decarbonization pressures and consumers' emphasis on sustainability will continue to provide headwinds to the petrochemicals industry in the medium term. The division will overcome these challenges by renewing policies, containing operational costs, and investing in viable improvement projects.

REAL ESTATE BUSINESSES

In the Real Estate segment, revenue decreased by 1.9% to \$7.3 million, while net profit declined to \$2.2 million compared to \$3.2 million in the previous financial year. The primary revenue generator in this segment was industrial properties located in the Changshu High Tech Industrial Park, Jiangsu, China. These properties maintained a high occupancy rate, comparable to prior years, supported by long-term tenancies from multinational corporate clients.

FINANCIAL SERVICES

The Financial Services segment reported revenue of \$0.03 million in FY2024 compared to \$0.06 million in the corresponding period last year. The segment reported a net loss of \$5.1 million, compared to the previous year's net loss of \$7.9 million.

The lower net loss was attributed to reduced tax expenses and a lower impairment loss on trade and other receivables, partially offset by a higher fair value loss on financial instruments at fair value through profit or loss.

ANNUAL REPORT 2024

BOARD OF DIRECTORS

SEBASTIAN TAN CHER LIANG

Mr Tan was appointed as Independent Non-Executive Director on 5 November 2003 and assumed the role of Independent Non-Executive Chairman on 1 July 2016.

He chairs the Audit Committee and is a member of the Remuneration Committee and the Nominating Committee. He has more than 42 years of experience in corporate advisory and general management.

He graduated with a Bachelor of Commerce at the University of New South Wales and later qualified as a Chartered Accountant in Australia. He was with Ernst & Young in Singapore and Sydney from 1981 to1989 and the co-founding partner of Chew & Chiu Chartered Accountants in Sydney from 1989 to 2001. Between 2001 to 2007, he served as the Finance Director of Gennon Group in Hong Kong. He was also the Chief Financial Officer for two SGX listed companies from 2007 to 2013, and the Chief Operating Officer for Dynamic Pharma Group (Cambodia) from 2014 to 2017. He has extensive professional accounting and commercial management experience.

Mr Chew is a Fellow of the Chartered Accountants in Australia & New Zealand (FCA), Fellow of the Hong Kong Institute of Certified Public Accountants (FCPA), Fellow of the Financial Services Institute of Australasia (F Fin), Chartered Accountant of the Singapore Institute of Chartered Accounts (CA Singapore), Member of the Australian Institute of Managers and Leaders.

Mr Chew is also currently a Director of Joe Grand Eco Investment Co., Ltd (Cambodia), an Independent Non-Executive Chairman of Kuchai Development Berhad, Sungei Bagan Rubber Company (Malaya) Berhad and Kluang Rubber Company (Malaya) Berhad. He is also the 1st Vice Chairman cum Non-Executive Director of the Lions Home for the Elders in Singapore.

PRESENT DIRECTORSHIP IN OTHER LISTED COMPANIES:

Kuchai Development Berhad Sungei Bagan Rubber Company (Malaya) Berhad Kluang Rubber Company (Malaya) Berhad

PAST DIRECTORSHIP IN LISTED COMPANIES (2020 – 2024): Nii

SFNIOR **EXECUTIVES**

ALEX NG BOON CHUAN
Director/Executive Vice President
Freight Links Express Pte Ltd

Mr Ng is the Executive Vice President of Freight Links Express Pte Ltd ("Freight Links Express") and has more than 40 years of experience in sales and marketing, agency and market development. He is responsible for the overall freight forwarding operations of Freight Links Express. His knowledge and experience are drawn from the long-standing career he has established in Freight Links Express since joining in August 1984.

LEE SENG HOCK Senior Vice President Freight Links Express Pte Ltd Hub & Port Services Pte Ltd

Mr Lee is the Senior Vice President of Freight Links Express. He joined Freight Links Express in October 1982 and has more than 42 years of experience in freight operations. He is responsible for the freight and operations of Freight Links Express. In January 2022, he took on additional responsibilities to overseeing container freight station operations located in Keppel Distripark.

JOHN LIM SUI SEN
Senior Vice President (Projects)

Mr Lim is the Senior Vice President (Projects) of Vibrant Group Limited. He supports the Group in projects development work, and oversees the leasing and management of a portfolio of property. Prior to that, he was responsible for credit management. Mr Lim has been with the Group since January 2004.

Prior to joining the Group, Mr Lim worked with a leading express and logistics company for several years in the area of credit management, operations and projects.

Mr Lim holds a Bachelor of Business (in the field of Accountancy) from the Royal Melbourne Institute of Technology.

JASHAWN KONG JINGXIONG Vice President Inspirion Digitech Pte Ltd

Mr Kong is the Vice President of Inspirion Digitech Pte Ltd ("Inspirion Digitech"). He is currently leading the Group's digital transformation and security initiatives while developing a new freight management system for the freight forwarding division.

Mr Kong joined Freight Links Express in 2012, handling sales and marketing. He has since helped built a strong sales and customer service team, focusing on expanding the network of overseas agencies and driving overseas business growth. Mr Kong currently manages the import department and oversees warehouse development.

Mr Kong holds an honours degree in Business Management from the University of Manchester.

DON TANG FOOK YUENGeneral Manager
LTH Logistics (S) Pte Ltd

Mr Tang joined the LTH Group of Companies as its General Manager in August 2011. Prior to joining the Group, he had over 17 years of senior management experience in the manufacturing sector overseeing corporate strategy, business development, operations, human resource and finance functions. He has also had previous work experience in the finance and publishing industries.

Mr Tang graduated from the National University of Singapore with a Bachelor of Business Administration degree before obtaining his Masters of Science in International Marketing from the University of Strathclyde.

ADRIAN CHIA SENG CHYE Head Crystal Freight Services Pte Ltd

Mr Chia joined Freight Links Express in September 1988 and has more than 35 years of experience in sales and marketing. He was the Vice President (Consolidation & Marketing) of Freight Links Express before being transferred to head Crystal Freight Services Pte Ltd ("Crystal Freight Services") in May 2021. He is responsible for sales and marketing, business development, total logistics services, overall growth, and expansion of Crystal Freight Services. Presently, he is also overseeing Freight Forwarding operations in Malaysia.

ANNUAL REPORT 2024

SUSTAINABILITY REPORT SUMMARY

The Group prioritises sustainable development alongside service excellence. This commitment is reflected in the annual sustainability report, which is prepared in accordance with the Singapore Exchange's sustainability reporting requirements, consistent with Task Force on Climate-Related Financial Disclosure ("TCFD") recommendations and with reference to the Global Reporting Initiative ("GRI") Standards, providing information on the Group's sustainability policies, practices, performance and targets.

The sustainability report includes comprehensive information and data on the sustainability performance of the Group's most material business at offices in Singapore and freight and logistics business. These activities encompass international freight forwarding, warehousing property and logistics, as well as chemical storage and logistics operations for the financial year ended 30 April 2024 ("FY2024").

The sustainability report outlines the Group's targets for upcoming years concerning each significant environmental, social and governance ("ESG") factor identified. For the targets previously set across defined short, medium and long term horizons, the Group has diligently tracked its performance against these targets, and the sustainability report offers information on the progress made. This demonstrates the Group's accountability for its sustainability commitments and allows for an assessment of the effectiveness of its ESG policies and management systems.

In FY2024, the Group enhanced its climate-related disclosures to be consistent with TCFD recommendations. This includes describing the resilience of the Group's strategy, considering different climate-related scenarios, including a 2°C or lower scenario.

In FY2024, the Group conducted a systematic materiality assessment process to prioritise the Group's material ESG factors. The material ESG factors are as follows:

GOVERNANCE	ECONOMIC	ENVIRONMENTAL	SOCIAL
Governance	Economic Performance	Energy	Employment
Anti-corruption		Emissions	Labour/Management Relations
		Waste	Diversity and Equal Opportunity
		Water and Effluents	Non-discrimination
		Materials	Training and Education
		Critical Incident Risk Management	Occupational Health and Safety
			Customer Privacy
			Corporate Social Responsibility

The sustainability report offers a deeper dive into qualitative and quantitative data on the Group's sustainability governance, stakeholder engagement, materiality assessment and performance across key ESG factors. The Group remains committed to monitoring progress on sustainability targets, continuously improving management of sustainability risks and opportunities and achieving long-term sustainable growth.

CORPORATE GOVERNANCE REPORT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

The Board of Directors and Management are committed to ensuring and maintaining high standards of corporate governance in accordance with the principles and guidelines set out in the Singapore Code of Corporate Governance 2018 (the "2018 Code") and the accompanying Practice Guidance issued on 6 August 2018, which forms part of the continuing obligations under the Listing Rules of the Singapore Exchange Securities Trading Limited ("SGX-ST") ("Listing Manual") to enhance long-term shareholders' value through enhancing corporate performance and accountability.

This report sets out the Group's corporate governance practices in place during the financial year ended 30 April 2024 ("FY2024"). The Company will continually review its corporate governance practices in compliance with the 2018 Code. The Board confirms that the Group has generally adhered to the principles and guidelines set out in the 2018 Code for FY2024. Where there are deviations from the 2018 Code, appropriate explanations are provided.

Guide	Compliance with the 2018 Code
	The Board, after making due inquiries, believes that the Company has complied in all material aspects with the principles and guidelines as set out in the 2018 Code. Details of our compliance are described in this report.

I. BOARD MATTERS

The Board plays a pivotal role in overseeing the Group's overall strategy and business direction and is collectively responsible for the Group's long-term success. The Management has been providing Directors with full and timely information to assist the Directors in the fulfillment of their responsibilities.

Principle 1: The Board's Conduct of Affairs

1.1 The Board has five (5) directo

The Board has five (5) directors which comprises two (2) Executive Directors and three (3) Non-Executive Independent Directors ("Independent Directors") in FY2024.

The principal functions of the Board are as follows:

- Oversee the Group's overall strategic and business direction and is collectively responsible for the Group's long-term success.
- Provide entrepreneurial leadership, setting strategic objectives as well as constructively challenge Management and review its performance.
- Ensure necessary financial and human resources are in place for the Group to meet its objectives.
- Establishing a framework of prudent and effective controls for risk management and internal controls, safeguarding shareholder's interests and the Group's assets as well as setting values and standards (including ethical standards) for the Group and is mindful of the Group's social responsibilities.

The Board exercises due diligence and independent judgment in dealing with the business affairs of the Group and work with the Management to make objective decisions in the interest of the Group.

The Board has clear guidelines for dealing with conflicts of interest. Where a director faces a conflict of interest, the director shall disclose this and recuse himself from meetings and decisions involving the issue. All interested persons transactions are reviewed and approved by the Audit Committee to ensure these transactions are conducted on an arm's length basis. On an annual basis, each director submits a director's interest declaration for the purpose of monitoring interested persons transactions.

The Group's business is effectively managed by the Board and properly conducted by Management. The Board ensures the proper observance of corporate governance practices, which includes setting of code of conduct and ethics, appropriate tone-from-the-top and desired organizational culture, and ensures proper accountability within the Group.

CORPORATE GOVERNANCE REPORT

Guide	Compliance with the 2018 Code
1.2	All new Directors appointed to the Board are briefed by the Chairman, as well as the chairmen of the Board Committees, on issues relevant to the Board and Board Committees. They are also briefed by senior management on the Group's business activities, strategic direction and policies, key business risks, the regulatory environment in which the Group operates, and governance practices, as well as their statutory and other duties and responsibilities as Directors. All newly appointed or existing Directors are provided with opportunities to undergo training which are relevant, to effectively discharge their duties, and to enhance their skills and knowledge and to continually improve the performance of the Board. The Company will fund Directors' participation at industry conferences, seminars or any training programmes in connection with their duties as Directors. For new Directors who do not have prior experience as a director of a public listed company in Singapore, they will be required to attend the mandatory training within one (1) year from their appointment date as prescribed in the Listing Manual of the SGX-ST. There are no new directors appointed to the Board in FY2024. The management will keep the Directors up-to-date on pertinent developments in the business including changes in relevant laws and regulations, 2018 Code, financial reporting standards and industry related matters. News release issued by the SGX-ST and Accounting and Corporate Regulatory Authority ("ACRA") which are relevant to the Directors are also circulated to the Board. During the year, the Directors were briefed by professionals at Audit Committee meetings on regulatory changes and changes in financial reporting standards as well as issues which may have an impact on financial statements. The Directors had been briefed on the Key Audit Matters in the auditor's report and
	regular updates on the strategic development of the Group. On an ongoing basis, the Directors are updated on amendments and requirements of the SGX-ST and other statutory and regulatory changes which have an important bearing on the Company and the Directors' obligations to the Company, from time to time.
1.3	The Board of Directors objectively takes decisions in the interests of the Group. Other than the compliance with the Companies Act 1967 of Singapore and the rules and regulations applicable to a public company, matters requiring the Board's specific approval are those involving material acquisition and disposal of assets/investments, corporate or financial restructuring, material financial/funding arrangements and provision of all corporate guarantees, corporate exercises and budgets.
1.4	The Board is supported by a number of committees to assist it in the discharge of its responsibilities and to enhance the Company's corporate governance framework. These committees include the Audit Committee ("AC"), Nominating Committee ("NC") and the Remuneration Committee ("RC"). These Board Committees are given specific responsibilities and are empowered to deal with matters within the limits of the authority set out in the terms of reference of their appointments. While the Board Committees have the authority to examine particular issues and report back to the Board with their decisions and/or recommendations, the ultimate responsibility on all matters still lies with the entire Board.
1.5	The Board and its Committees conduct regular scheduled meetings that are planned in advance during the year to review and approve the release of the Group's financial results. Additional meetings are convened as and when circumstances warrant. In addition, ad-hoc meetings are held to address significant issues and transactions. On occasions when Directors were unable to attend meetings in person, telephonic or video-conference means were used as allowed under the Company's Constitution.
	The Board and the AC meet on a half-yearly basis to review and approve the release of the Group's half year and full year financial results, and the NC and RC will conduct planned annual meetings. However, the Board and its Committees will continue to convene ad-hoc meetings to address significant issues and transactions.

CORPORATE GOVERNANCE REPORT

Guide	Compliance with the 2018 Code
	The independence of each Director is reviewed annually by the NC. Each Independent Director is required annually to complete a checklist to confirm his independence. The checklist is drawn up based on the guidelines provided in the 2018 Code and the Listing Manual. Thereafter, the NC reviews the checklist completed by each Independent Director, assess the independence of the Independent Directors and recommends its assessment to the Board.
	Mr Sebastian Tan Cher Liang and Mr Derek Loh Eu Tse, both Non-Executive and Independent Directors, are long serving members who had each served for an aggregate period of more than nine (9) years on the Board since their appointment on 5 November 2003. The continued appointment of Mr Sebastian Tan Cher Liang and Mr Derek Loh Eu Tse as Independent Directors had been sought and approved under the two-tier shareholders voting, pursuant to the Listing Manual during that period, at the Company's Annual General Meeting ("AGM") held on 27 August 2021.
	Pursuant to Rule 210(5)(d)(iv) of the Listing Manual which came into effect in January 2023, Mr Sebastian Tan Cher Liang and Mr Derek Loh Eu Tse, who had both exceeded the aggregate period of more than 9 years as a Director of the Company, may continue to be considered independent until the conclusion of the upcoming AGM to be held on 30 August 2024.
	The NC and the Board are of the view that all its Independent Directors have satisfied the criteria of independence in accordance with the 2018 Code, its Practice Guidance and Rule 210(5)(d)(i) and (ii) of Listing Manual.
2.2	As at the date of this report, the Group's chairman Mr Sebastian Tan Cher Liang is a Non-Executive, Independent Director and is not related to the Chief Executive Officer ("CEO").
2.3	As at the date of this report, the Board is made up of two (2) Executive Directors and three (3) Non-Executive Directors. The three (3) Non-Executive Directors, all of whom, making up more than half of the Board, are independent, thus providing for an independent element on the Board capable of exercising objective judgment on corporate affairs of the Group.
	The role of the Non-Executive Directors encompasses the following: (i) to constructively challenge and help develop proposals on strategy; and (ii) to review the performance of management in meeting agreed goals and objectives and monitor the reporting of performance.
2.4	The NC conducted its annual review on the composition of the Board which comprises members from different backgrounds whose core competencies, qualifications, skills and experiences are extensive. These differences will be considered in determining the optimum composition of the Board and when possible should be balanced appropriately.
	The NC is of the view that the current Board members as a group provides an appropriate balance and diversity of relevant skills, experience and expertise required for effective management of the Group.
	The Board is of the view that the current size, composition, range of experience and the varied expertise of the current Board members provides core competencies in business, investment, industry knowledge, legal, regulatory matters, audit, accounting and tax matters which are necessary to meet the Group's needs. It provides diversity and allows for informed and constructive discussion and effective decision making at the Board meetings. The Board will, however, continue to review opportunities to refresh the Board with a view to expanding the skills, experience and diversity of the Board as a whole.
	Details of the Directors' qualifications, background and working experience, principal commitments and shareholdings in related corporations are found under the "Directors' Profile" section of this Annual Report.

CORPORATE GOVERNANCE REPORT

Guide	Compliance with the 2018 Code	•
	The Board members in FY2024 ar	e as follows:
	Name of Director	Nature of Appointment
	Sebastian Tan Cher Liang	Non-Executive, Independent
	Eric Khua Kian Keong	Executive, Non-independent
	Francis Lee Fook Wah	Executive, Non-independent
	Derek Loh Eu Tse	Non-Executive, Independent
	Albert Chew Khat Khiam	Non-Executive, Independent
	ethnicity on the Board ("Board Distrategic objectives and sustainable diverges from the recommended p	aces the benefits of diversity of experience, age, skill sets, gender and versity") and views Board Diversity as an essential element to attain its le development. The existing Board comprises only male Directors which practice. Nonetheless, the Board is committed to pursue gender diversity antly on the lookout for appropriate female candidates.
	principle that its Board should have appropriate to its business so as opportunity to benefit from all avail such as qualification, age, gender,	en Board Diversity Policy (the "Board Diversity Policy") which endorses the e a balance of skills, knowledge, experience and diversity of perspectives to mitigate against group think and to ensure that the Group has the dable talents. The Board Diversity Policy takes into consideration criterial experience, and expertise in various fields, in the relevant industry. The ects an appropriate balance between delivering business performance, progressing diversity.
	and experience on the Board to su	versity Policy is to maintain the appropriate balance of perspectives, skills opport the long-term success of the Group. The current Board composition nt to Board diversity in terms of different professional experiences, skills,
	recommend appropriate revisions	versity Policy, where appropriate, to ensure its effectiveness, and will to the Board for consideration and approval. It will also continue its itable candidates to ensure there is diversity (including gender diversity)
	of diversity, including diversity of I	nd succession planning, the NC will consider the benefits of all aspects background, experience, gender, age and other relevant factors. These determining the optimum composition of the Board and when possible,
	The NC will strive to ensure that:	
	if external search consultants a include a requirement to also parts.	are used to search for candidates for Board appointments, the brief will present female candidates;
	a female candidate is included for appointment to the Board;	for consideration by the NC whenever it seeks to identify a new Director and
		to account the skills and experience on the Board.

CORPORATE GOVERNANCE REPORT

Guide	Compliance with the 2018 Code
	The NC sets the targets for various aspects of diversity and the final decision on selection of Directors will be based on merits that complement and expand the skills and experience of the Board as a whole, and after having given due regard to the overall balance and effectiveness of a diverse Board. The Group's targets and plans involves the NC reviewing and assessing the Board's composition for diversity from time to time and at least on an annual basis, taking into account a wide variety of factors, and to make relevant and appropriate recommendations to the Board.
	The NC will discuss annually the relevant measurable objectives for promoting and achieving diversity on the Board and make its recommendations for consideration and approval by the Board. The objectives may involve at any given time, one or more aspects of board diversity with different timelines for achievement.
	In conducting the annual review, the determination of appropriate targets and plans for diversity will also depend on the business and operational circumstances, objectives and strategies of the Group at the relevant time and reviewing whether the composition of Directors suitably meets the needs of the Group.
	The Board does not see a need at this juncture to set specific diversity targets or concrete timelines for achieving on-going board diversity targets. Instead, the Company takes the approach that maintaining a satisfactory level of diversity is an ongoing process which may need to be updated as and when the business of the Group develops.
2.5	To facilitate a more effective check on Management, the Non-Executive Directors may be called if necessary to formally meet without the presence of Management or the Executive Directors to review any matter that must be raised privately.
	During FY2024, the Independent Directors, led by the Independent Chairman, met regularly and on an ad hoc basis with the CEO and the senior management team as well as the other Non-Executive Directors to discuss challenges faced by the Group and provided feedback to the Board. The Company also benefited from the Management's ready access to its Directors for guidance and exchange of views both within and outside the formal environment of the Board and Board committees meetings.
Principle 3:	Chairman and Chief Executive Officer
3.1	As at the date of this report, the Chairman of the Board is non-executive and independent, and is separate from the office of the Group CEO. The Chairman leads the Board and is responsible for ensuring the effectiveness of the Board and its governance processes, while the Group CEO is responsible for implementing the Group's strategies and policies, and for conducting the Group's business. The Chairman and the Group CEO are not related.
3.2	The Chairman, Mr Sebastian Tan Cher Liang, bears primary responsibility for the management of the Board. He leads the Board, encourages Board's interaction with Management, facilitates effective contribution of Non-Executive Directors, encourages constructive relations among the Directors, and promotes high standards of corporate governance. He also ensures effective communication with shareholders and encourages constructive relations within the Board and between the Board and Management.
	Prior to each Board meeting, the Chairman determines the agenda for the meeting and instructs the Company Secretary to disseminate it to all Directors at least seven (7) days before the meeting. He leads the meetings and ensures full discussion of each agenda item, as appropriate. The Chairman ensures that Board members engage the Management in constructive debate on various matters including strategic issues. He also oversees the quality and timeliness of information flow between the Management and the Board.

CORPORATE GOVERNANCE REPORT

Guide	Compliance with the 2018 Code
	The CEO leads the development of the Group's business and operational strategies, oversees the implementation of the Group's long and short term plans in accordance with its strategies, ensures the Group is properly organized and staffed, assesses and monitors the principal risks of the Group and ensures effective internal controls and risk management systems are in place.
	The Board has established various committees with power and authority to perform key functions beyond the authority of, or without undue influence from, the Chairman and/or the CEO. The Board is of the view that there is an appropriate balance of power and authority at the top of the Company and no single Director has considerable concentration of power.
3.3	As at the date of this report, the Group has not appointed a Lead Independent Director given that the Chairman and CEO are separate persons and the Chairman is independent. The Board believes that there is a strong and independent element on the Board and adequate safeguards are in place against an uneven concentration of power and authority vested in any single individual. Notwithstanding this, the Non-Executive and Independent Chairman functions as a lead independent director in that he is available to address concerns, if any, to the Company's shareholders. Shareholders with concerns may contact him directly, when contact through the normal channels via the CEO or CFO have failed to provide appropriate and satisfactory resolution.
Principle 4	: Board Membership
4.1	The Group believes Board renewal to be an on-going process and is required to ensure good corporate governance as well as maintain relevance to the changing needs of the Group's business.
	The NC is responsible for the identification and selection of new Directors. The NC is guided by key terms of reference as follows:
	Make recommendation on all Board and Board committee appointments and re-appointments;
	Review succession plans for Directors, including the Chairman, the CEO and key management personnel;
	Determine the performance criteria and evaluation process for assessing the performance of the Board, the Board committees and individual Directors;
	Determine on an annual basis whether or not a Director is independent;
	Review and recommend training and professional development programs for the Directors;
	Set guideline on multiple board representations; and
	Assess whether or not a Director is able to and has been adequately carrying out his duties.
4.2	During FY2024, the NC comprises four (4) Directors, three (3) of whom, including the Chairman, are Non-Executive and Independent.
	The members of the NC as at the date of this report are as follows:
	Mr Derek Loh Eu Tse Chairman (Non-Executive, Independent) Mr Sebastian Tan Cher Liang Member (Non-Executive, Independent) Mr Albert Chew Khat Khiam Member (Non-Executive, Independent) Mr Eric Khua Kian Keong Member (Executive, Non-independent)

CORPORATE GOVERNANCE REPORT

Guide	Compliance with the 2018 Code
4.3	The NC is responsible for recommending identified candidates to the Board to fill vacancies arising from resignation or retirement, or if there is a need to appoint additional Directors to fill a competency gap in the Board.
	The Company has in place a process for selecting and appointing new Directors. This process includes an evaluation of the candidate's capabilities, character and how the candidate fits into the overall desired competency of the Board. The NC may recourse to both internal sources as well as external sources to draw up a list of potential candidates. Short-listed candidates would be required to furnish their curriculum vitae stating in detail their qualification, working experience, employment history, in addition to completing certain prescribed forms to enable the NC to assess the candidate's independence status and compliance with the Company's established internal guidelines.
	Regulation 94 of the Company's Constitution requires one third of the Board, with the exception of any Director appointed to fill casual vacancy pursuant to Regulation 76, to retire by rotation at every AGM. Regulation 76 provides that any Director so appointed shall hold the office until the next AGM, but shall be eligible for re-election. Each member of the NC shall abstain from voting on any resolutions in respect to his re-nomination as a Director.
	The Board will also take reference from its Board Diversity Policy with respect to selecting and appointing new Directors, and re-electing incumbent Directors.
	At the upcoming AGM, Mr Francis Lee Fook Wah and Mr Albert Chew Khat Khiam will be retiring by rotation pursuant to Regulation 94 of the Company's Constitution. The two (2) directors, being eligible for re-election, have offered themselves for re-election. The NC has recommended and the Board has agreed that at the upcoming AGM, Mr Francis Lee Fook Wah and Mr Albert Chew Khat Khiam will retire and be nominated for re-election. In making the recommendation, the NC has considered, amongst others, the retiring directors' skills, experience and contribution to the Board.
	Profile of each of the Directors seeking re-election is provided under the section on Additional Information on Directors Seeking Re-election in the Annual Report.
4.4	The NC conducted an annual review of the independence of the Directors as mentioned under Guideline 2.1 above based on their declarations of independence (or otherwise), which were drawn up based on the guidelines provided under the 2018 Code. In addition, as and when circumstances require, the NC will also assess and determine a Director's independence.
	The NC has reviewed and confirmed the independence of the Independent Directors in accordance with the 2018 Code having regard to their relationships with the Company, its related corporations, its substantial shareholders or its officers, if any, which may affect their independence. The Independent Directors have also confirmed their independence in accordance with the 2018 Code.
	At the close of FY2024, the NC has assessed the independence of Mr Sebastian Tan Cher Liang, Mr Derek Loh Eu Tse and Mr Albert Chew Khat Khiam, and is satisfied that there is no relationship or other factors such as gifts or financial assistance, past association, business dealings, representative of shareholder, financial dependence, relationship with the Group or the Group's management, etc. which would impair their independent judgement.

CORPORATE GOVERNANCE REPORT

Guide	Compliance with the 2018 Code
	As Mr Sebastian Tan Cher Liang and Mr Derek Loh Eu Tse have served the Board as Independent Non-Executive Directors for more than nine (9) years, the NC had performed a rigorous review of their continuing independence. During its review, the NC noted that, notwithstanding that they have served the Board beyond nine (9) years, they continue to demonstrate strong independence in character and judgement in engaging and challenging Management in the interests of the Group at the Board and Board Committee meetings. Neither they nor their immediate family members have any relationship or business dealings with the Group and the Company's substantial shareholders in the current or immediate past financial year. Mr Sebastian Tan Cher Liang and Mr Derek Loh Eu Tse have, over the years, participated in the proceedings and decision-making process of Board meetings. They have constructively challenged and reviewed the performance of Management in achieving agreed goals. The NC also recognises that Mr Sebastian Tan Cher Liang and Mr Derek Loh Eu Tse developed substantial insight of the Group's business and operations and will continue to value add to the Board. In considering the above factors and taking into account their contribution in terms of experience, expertise, professionalism and integrity, the NC is of the view that Mr Sebastian Tan Cher Liang and Mr Derek Loh Eu Tse continue to be independent in FY2024. Accordingly, Mr Sebastian Tan Cher Liang and Mr Derek Loh Eu Tse duly abstained from the NC/Board's determination of their independence. The Board, having taken into account the views of the NC, determines that Mr Sebastian Tan Cher Liang and Mr Derek Loh Eu Tse are independent in FY2024.
	As mentioned under Guideline 2.1 above, pursuant to Rule 210(5)(d)(iv) of the Listing Manual which took effect from 11 January 2023, Mr Sebastian Tan Cher Liang and Mr Derek Loh Eu Tse would not be considered as Independent Directors after the conclusion of the upcoming AGM.
4.5	The NC ensures that new Directors are aware of their duties and obligations.
	The Board has determined the maximum number of board appointments in listed companies that a Director can hold shall not be more than seven (7), so as to ensure that the Directors are able to commit their time to effectively discharge their responsibilities. All the Directors currently do not hold more than seven (7) listed company board representations.
	The NC has reviewed each Director's outside directorships and their principal commitments as well as each Director's attendance and contributions to the Board. Despite the multiple directorships of some Directors, the NC is satisfied that the Directors spent adequate time on the Company's affairs and have carried out their responsibilities.
	Key information of each member of the Board including directorships and chairmanships both present and those held over the preceding five (5) years in other listed companies, other major appointments, academic/professional qualifications, memberships/chairmanships in the Company's Board committees, date of first appointment, and other relevant information, can be found under the "Directors' Profile" section of this Annual Report.
	There is no alternate Director on the Board.
Principle 5:	Board Performance
5.1	The NC has implemented a process for evaluating the effectiveness of the Board as a whole and its Board Committees, the contribution by each individual Director to the effectiveness of the Board, and the effectiveness of the Chairman of the Board.
	The NC has established objective criteria to evaluate the Board's performance. The benchmark for the Board performance evaluation include the appropriate size and composition of the Board, access to information, processes and accountability, communication with Management and shareholders.

CORPORATE GOVERNANCE REPORT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

Guide	Compliance with the 2018 Code
5.2	The Company has implemented a formal process to evaluate the performance of the Board as a whole and its ability to discharge its responsibilities in providing stewardship, corporate governance and oversight of Management's performance.
	The NC evaluates the Board's performance as a whole on an annual basis. For the year under review, all Directors have completed the Board performance evaluation forms to assess the overall effectiveness of the Board. To ensure confidentiality, the evaluation forms completed by all Directors were submitted to the Company Secretary for collation and the consolidated responses were presented to the NC for review and discussion. The NC has reported to the Board on its review of the Board's performance for FY2024. No external facilitator has been engaged for this purpose.
	Evaluation of individual Director's performance is a continuous process. The assessment of a Director is based on criteria such as relationship with the Company, experience in being a company director and various competencies and knowledge and wealth of experience. The NC together with the Chairman of the Board evaluates the effectiveness of the Board in monitoring management's performance against the goals that have been set by the Board.

II. REMUNERATION MATTERS

Matters concerning remuneration of the Board, key management and other employees who are related to the controlling shareholders and/or our Directors (if any) are handled by the RC whose primary function is to establish formal and transparent policies on remuneration matters in the Company.

Matters which are required to be disclosed in the annual remuneration report have been sufficiently disclosed in this Report and in the Financial Statements of the Company and of the Group.

Principle 6: Procedures for Developing Remuneration Policies

6.1

To attract, retain and motivate Directors and employees, the RC establishes appropriate remuneration frameworks for the Directors and employees of the Company. Such frameworks are being reviewed periodically to ensure that they remain relevant.

The RC will recommend to the Board a framework of remuneration for fixing the remuneration packages of individual Directors and key management personnel. Members of this Committee are knowledgeable in the field of executive compensation.

Directors' fees are established annually for the Chairman and the other Directors. Additional fees are paid for participation in Board Committees. The level of fees takes into account the size and complexity of the Company's operations, and the responsibilities and workload requirements of Directors. The fees are submitted to shareholders for approval at each AGM.

The RC reviewed and approved the remuneration package (which includes salaries, allowances, bonuses and benefits-in-kind) of the Executive Directors after considering inter alia the achievement of their KPIs. In addition, the RC reviewed the performance of the Group's key management personnel (excluding those employed by the listed subsidiary which has its own remuneration committee), taking into consideration the CEO's assessment of and recommendation for bonus and remuneration.

No member of the RC was involved in deciding his own remuneration.

CORPORATE GOVERNANCE REPORT

Guide	Compliance with the 2018 Code				
6.2	During FY2024, the RC comprises three (3) Non-Executive Directors, all of whom are independent. The members of the RC as at the date of this Report are as follows:				
	Mr Derek Loh Eu Tse Chairman (Non-Executive, Independent) Mr Sebastian Tan Cher Liang Member (Non-Executive, Independent) Mr Albert Chew Khat Khiam Member (Non-Executive, Independent)				
6.3	The RC is guided by key terms of reference as follows:				
	Review and recommend to the Board a general framework of remuneration and specific remuneration packages for each Director and key management personnel and the implementation of any appropriate performance-related elements to be incorporated in the remuneration framework;				
	Review annually the remuneration packages of employees who are related to any of the Directors or any substantial shareholder of the Group; and				
	Establish appropriate remuneration framework to motivate and retain Directors and executives, and ensure that the Company is able to attract appropriate talent from the market in order to maximise value for shareholders.				
	The Company's obligations in the event of termination of service of Executive Director and key management personnel are contained in their respective employment letters. The RC was satisfied that termination clauses therein are fair and reasonable to the respective employment class and are not overly generous.				
6.4	If necessary, further expertise from outside sources will be made available. The Committee is aware of the need to minimize the risk of any potential conflict of interest and will ensure that no director should be involved in deciding his own remuneration.				
	No external remuneration consultant was engaged by the Company in FY2024.				
Principle	7: Level and Mix of Remuneration				
7.1	The RC will also propose in its framework of remuneration, the various levels and mix of components considered to be appropriate to attract, retain and motivate Directors. A significant and appropriate proportion of Executive Directors and key management personnel remuneration is structured so as to link rewards to corporate and individual performance. Such performance-related remuneration would be aligned with the interest of shareholders and promote the long-term success of the Group. It has taken account of risk policies of the company, be symmetric with risk outcomes and be sensitive to the time horizon of risks.				
	For the purpose of assessing the performance of the Executive Directors and key management personnel, KPIs in both financial and non-financial targets are clearly set out at the beginning of each financial year. Financial targets include net profit, return on total assets and return on shareholders' equity. Non-financial targets are those related to reputation, customers, employees, environment, community and sustainable future. Such KPIs comprise also both quantitative and qualitative factors as well as short and medium term targets.				
	In addition, the Company's remuneration structure takes into consideration benchmarks in comparable size of entities in similar industries.				

CORPORATE GOVERNANCE REPORT

Guide	Compliance with the 2018 Code							
7.2	The RC and the Board are of the view that the remuneration of Non-Executive Directors is appropriate to the level of contribution, taking into account factors such as effort and time spent, and responsibilities of the Non-Executive Directors. The Non-Executive Directors are compensated reasonably without their independence being compromised. The Group does not have any scheme to encourage Non-Executive Directors to hold shares in the Group. The Non-Executive Directors' fees are subject to approval by shareholders as a lump sum at the AGM of the Company, and payment is to be made quarterly in arrears. No Director is involved in deciding his own remuneration.							
7.3	The Executive Directors and key management personnel are moderately compensated. The RC is of the view that there is no requirement to have any long-term incentive scheme or schemes involving the offer of shares or grants of options or other forms of deferred remuneration.							
Principle 8:	Disclosure on Remunera	tion						
8.1	The breakdown of the leve for FY2024 are set out bel and individual performanc A summary of the remune is set out below:	ow. A significant e.	t portion of s	senior exec	cutives' rer	muneratior	n is linked to	corporate

III. ACCOUNTABILITY AND AUDIT

The Board recognises the importance of providing accurate and relevant information on a timely basis. In this respect, the AC reviews all financial statements and recommends them to the Board for approval. In addition, the AC ensures that the Company maintains a sound system of internal controls to safeguard the shareholders' investments and the Group's assets as well as to manage potential risks.

Principle 9: Risk Management and Internal Controls

9.1

The Board recognises the importance of maintaining a sound system of risk management and internal controls to safeguard the shareholders' interests and the Group's assets. The AC oversees and ensures that such system has been appropriately implemented and monitored.

The Group has adopted its risks management functions using the Enterprise Risk Management ("ERM") framework which is in line with ISO 31000 – Risk Management Principles and Guidelines and the recommended best practices standard. The Group carries out periodic assessments of risk and controls to ensure the adequacy and effectiveness of the Company's risk management, financial and operational controls and compliance with those policies, procedures and controls. The Group has not set up a separate Risk Management Committee. However, the AC conducts regular reviews of the Company's business and operational activities to identify and deliberate on the areas of significant business risks and control measures to constantly improve the processes and standards. The processes adopted by the AC include discussions with Management on the identified risk areas, review of internal and external audit plans and processes and review significant issues arising from the audits.

The system of internal controls and risk management established by the Group provides reasonable, but not absolute, assurance that the Group will not be adversely affected by any event that can be reasonably foreseen as it strives to achieve its business objectives. However, the Board also notes that no system of internal controls and risk management can provide absolute assurance in this regard, or absolute assurance against the occurrence of material errors, poor judgement in decision-making, human error, losses, fraud or other irregularities.

The Group also has a system of risk management and internal controls designed to provide reasonable assurance that assets are safeguarded, operational controls are adequate, business risks are suitably protected and maintaining proper accounting records to ensure that financial information used for financial reporting are reliable. The internal auditor is familiar with these controls and works closely with Management and the AC to identify any inadequacies and weaknesses in the systems that would need to be addressed.

In addition, the external auditors also conduct an annual review of the effectiveness of the Company's internal controls, and recommendations for improvements are reported to the AC.

CORPORATE GOVERNANCE REPORT

Guide	Compliance with the 2018 Code				
9.2	Based on the internal controls established and maintained by the Group, work performed by the internal and external auditors, and reviews performed by Management and various Board Committees, the Board is satisfied that adequate internal controls have been maintained on information technology and risk management system, and internal controls, including financial, operational, compliance and information technology controls, and risk management systems are effective. The AC concurs with the Board's comments.				
	For the financial year under review, the Board has received assurance from (a) the CEO and CFO that the financial records have been properly maintained and the financial statements give a true and fair view of the Company's operations and finances, and from (b) the CEO and other key management personnel who are responsible, that the Company's risk management and internal control systems are adequate and effective.				
	The Management is responsible for the implementation of the various recommendations and will report the progress of implementation of these recommendations to the AC. No material high risk findings were identified or noted in the Internal Audit report for FY2024 and all other findings have been addressed or implemented by Management.				
Principle	ple 10: Audit Committee				
10.1	The AC is guided by the following key terms of reference:				
	review the Company's half yearly and annual financial statements, and any announcements relating to the Company's financial performance;				
	review the audit plan of the Company's external auditors and adequacy of the system of internal accounting control;				
	review significant financial reporting issues and judgements so as to ensure the integrity of the financial statements and any formal announcements relating to the Company's or Group's financial performance;				
	 keep under review the assurance provided by the CEO and the CFO that the financial records have been properly maintained and that the financial statements give a true and fair view of the Group's operations and finances; 				
	review related party transactions and interested person transactions to ensure compliance with the regulations set out in the SGX Listing Manual;				
	• review the adequacy, scope and results of the external audits, their cost effectiveness, and the independence and objectivity of the external auditors;				
	• nominate external auditors for appointment, re-appointment or removal, and review the remuneration and terms of engagement of the external auditors;				

CORPORATE GOVERNANCE REPORT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

Guide Compliance with the 2018 Code review the internal audit programme including the scope and results of the internal audit procedures, and management response to the recommended actions; review the independence and resource capability of the internal auditors, and the adequacy and effectiveness of internal audits: approve the appointment or re-appointment, evaluation and remuneration of the internal auditors; review and report to the Board on the adequacy and effectiveness of the Company's internal controls including financial, operational, compliance and information technology controls, and risk management systems; and making recommendations to the Board on all the above matters. The AC has full access to and cooperation by the Management and auditors, and has full discretion to invite any Director or management executives to attend its meetings. The auditors have unrestricted access to the AC. The AC has reasonable resources to enable it to discharge its functions properly. The AC has reviewed the extent of non-audit services provided by the external auditors and is satisfied that their independence has not been compromised. A breakdown of the fees paid to the external auditors for audit and non-audit services can be found in the Notes to the Financial Statements in this Annual Report. The Group has put in place a whistle-blowing policy so as to provide a formal avenue for employees and external parties to raise matters of concerns about suspected fraud, corruption, dishonest practices or other similar matters in good faith and in confidence, and without fear of reprisals. The objective of such a policy is to ensure independent investigation of such matters and for appropriate follow-up action. All whistle-blowing reports received and findings of the investigations are reported to the AC. The Group treats all information received confidentially and commits to protect the identity and the interests of all whistle-blowers. It is also committed to ensuring that whistle-blowers will be treated fairly and protected against detrimental or unfair treatment from whistle-blowing in good faith. The Group also provides a well-defined and accessible channel to the public. The public/other persons may, in confidence, raise concerns about possible improprieties in matters of financial reporting or other matters by submitting a whistle-blowing report to the Non-Executive and Independent Chairman of the Company or a member of the AC. Upon the completion of any investigation by the AC or the Board (as the case may be), the Board or the AC (as the case may be) will, where possible, communicate the outcome of the investigation to the whistle-blower. The AC is responsible for oversight and monitoring of the whistle-blowing policy. Any incidents of complaint in good faith would be submitted for the AC's review and the outcome of each investigation is reported to the AC. Whistle-blowing is on the agenda at every half yearly AC meeting and the AC will review and ensure that independent, thorough investigation and appropriate follow-up actions are taken and documented on reported incidences.

ANNUAL REPORT 2024

CORPORATE GOVERNANCE REPORT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

Guide	Compliance with the 2018 Code
10.2	During FY2024, the AC comprises three (3) members, all of whom are Independent Non-Executive Directors. The members of the AC at the date of this report are as follows:
	Mr Sebastian Tan Cher Liang Chairman (Non-Executive, Independent) Mr Derek Loh Eu Tse Member (Non-Executive, Independent) Mr Albert Chew Khat Khiam Member (Non-Executive, Independent)
	The members of the AC are suitably qualified and two (2) of its members possess relevant accounting and/ or related financial management expertise and experience for the effective discharge of their responsibilities as members of the AC.
10.3	No former partner or director of the Company's existing auditing firm or auditing corporation is a member of the AC.
10.4	The role of the internal auditors is to assist the AC to ensure that the Group maintains a sound system of controls by regular monitoring of key controls and procedures and ensuring their effectiveness, undertaking investigations as directed by the AC. The internal auditors have unrestricted access to all the Company's documents, records, properties and personnel, including access to the AC, and has appropriate standing within the Group.
	The Group has outsourced its internal audit function to an independent professional firm, CLA Global TS Risk Advisory Pte Ltd, who reports directly to the Chairman of the AC. The AC reviews the independence, adequacy, and effectiveness of the internal audit function yearly and is satisfied that for the financial year under review, the internal audit function is independent, effective, adequately resourced and has the appropriate standing within the Group.
	The external auditors will also perform operational and financial audit as required from time to time.
10.5	During the year, the Company's internal and external auditors were invited to attend the AC meetings and make presentations as appropriate. They also met separately with the AC without the presence of Management.

IV. SHAREHOLDER RIGHTS AND ENGAGEMENT

The Company believes in treating all shareholders fairly and equitably by recognising, protecting and facilitating the exercise of shareholders' rights and continuously reviewing and updating such governance arrangements. In addition, the Company embraces effective as well as fair communication with its shareholders and encourages shareholders to participate at general meeting(s).

Principle 11: Shareholder Rights and Conduct of General Meetings

The Company ensures that shareholders have the opportunity to participate effectively in and vote at the general meetings. Shareholders are informed of the rules that govern general meetings of shareholders.

To facilitate shareholders' effective participation at AGMs, shareholders are encouraged to refer to the SGX's investor guides, namely "An Investor's Guide to Reading Annual Reports" and "An Investor's Guide to preparing for Annual General Meetings". The guides, in both English and Chinese, are available at the SGX website.

Shareholders are informed of shareholders' meetings through notices contained in annual reports or circulars sent to all shareholders within the time notice period as prescribed by the regulations. These notices are also published in the newspapers and posted onto the SGXNET.

CORPORATE GOVERNANCE REPORT

Guide	Compliance with the 2018 Code				
	Shareholders are encouraged to attend the general meetings to ensure high level of accountability, to put forth any questions they may have on the motions to be debated and decided upon and to stay informed of the Group's strategic goals and business update.				
	Similar to the previous year, the upcoming AGM for FY2024 will be a physical meeting. There will be no option for shareholders to participate in the upcoming AGM via electronic means.				
11.2	Matters which require shareholders' approval at general meetings are each presented and proposed as a separate resolution and are distinct in terms of issue.				
	All resolutions at the general meetings are single item resolutions. For resolutions tabled under special business, a descriptive explanation of the effects of a resolution will be disclosed in the notice of general meeting.				
	All resolutions at general meetings will be put to vote by poll so as to better reflect shareholders' shareholding interest and ensure greater transparency. The results of the poll voting on each resolution tabled will be announced after the general meetings via SGXNET and the Company's website.				
	At the previous AGM, shareholders of the Company were given the opportunity to pose questions in relation to any resolutions prior to the date of the AGM and during the AGM. Votes cast for and against each resolution were tallied and displayed live-on-screen to shareholders at the AGM.				
11.3	All Directors, including the Chairman of the Board and the Board Committees attend all general meetings to address issues raised by shareholders. The Company's external auditors are also present to address shareholders' queries about the conduct of audit and the preparation and content of the auditors' report. The attendance of the Directors attending the general meetings is set out under Guideline 1.5 of this Report.				
11.4	The Constitution of the Company allows a shareholder of the Company to vote in person or by proxy at the general meetings of the Company. Each shareholder is allowed to appoint not more than two (2) proxies to vote on his/her behalf at general meetings through proxy forms sent in advance by the Company. Investors who hold shares through nominees such as the Central Provident Fund (CPF) and custodian banks are allowed to attend the AGM as observers subject to availability of seats.				
11.5	Shareholders of the Company can attend the physical meeting and raise questions in advance or during the AGM, and vote in person or through the appointment of proxy(ies).				
	The Company Secretary prepares minutes of general meetings of shareholders which include substantial and relevant comments or queries from shareholders relating to the agenda of the meeting, and responses from the Board and Management. The minutes of general meetings are available on the Company's website and SGXNET as soon as practicable.				
	The Company has published the minutes of the last AGM held on 29 August 2023 to SGXNET and on the Company's website within one (1) month after the date of AGM.				
11.6	The Company does not have a formal dividend policy at present. The form, frequency and amount of dividends declared each year will take into consideration the Group's performance in the relevant financial period, cash position, projected capital requirements, working capital requirements and other factors as the Board may deem appropriate. Dividend payments are clearly communicated to shareholders via announcements on SGXNET. Pursuant to Rule 704(24) of the Listing Manual, in the event that the Board decides not to declare or recommend a dividend, the Company will expressly disclose the reason(s) for the decision together with the announcement of the financial statements.				

ANNUAL REPORT 2024

CORPORATE GOVERNANCE REPORT

Guide	Compliance with the 2018 Code
Principle 1	2: Engagement with Shareholders
12.1	To promote a better understanding of shareholders' views, the Board actively encourages shareholders to participate during the Company's general meetings. These meetings provide excellent opportunities for the Company to obtain shareholders' views on value creation. Further, Management would meet analysts and fund managers as appropriate.
	The Board recognises the need to keep shareholders informed of material developments in the Company. This is done through appropriate press releases and announcements published on SGXNET and the Company's website whenever required by the Listing Manual. When immediate disclosure is not practicable, the relevant announcement is made as soon as possible to ensure that all stakeholders and the public have equal access to the information. Where there is inadvertent disclosure made to a select group, the Company will make the same disclosure publicly to all others as promptly as possible on the Company's website.
12.2	The Board embraces openness and transparency in the conduct of the Company's affairs, whilst safeguarding its commercial interests. An investor relations contact was provided via the Company's website which stakeholders can use to voice their concerns or complaints about possible violation of their rights. Material information is communicated to shareholders on a timely and non-selective basis.
12.3	General meetings have been and are still the principal forum for dialogue with shareholders. At these meetings, shareholders are able to engage the Board and the Management on the Group's business activities, financial performance and other business-related matters. The Company could also gather views or input and address shareholders' concerns at general meetings.
Principle 1	3: Engagement with Stakeholders
13.1	The Group has identified stakeholders as those who are impacted by the Group's business and operations as well as those who have a material impact on the Group's business and operation. Such stakeholders include communities, customers, staff, regulators, shareholders and investors. The Group engages its stakeholders through various channels to ensure that the business interests of the Group are balanced against the needs and interest of its shareholders.
13.2	The Group undertakes a formal stakeholder engagement exercise, which is facilitated by a third party at least once every three (3) years to determine the environmental, social and governance issues that are important to the stakeholders. These issues form the materiality matrix upon which targets, metrics, programmes and progress are reviewed and approved by the Board, before they are published annually in the sustainability report. Further details can be found in our sustainability report for FY2024.
13.3	The Group regularly updates its corporate website at www.vibrant.com.sg for disseminating information to and improving communication with stakeholders.

DIRECTORS' STATEMENT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

We are pleased to submit this statement to the members together with the audited consolidated financial statements of Vibrant Group Limited (the "Company") and its subsidiaries (collectively the "Group") for the financial year ended 30 April 2024 and statement of financial position of the Company as at 30 April 2024.

In our opinion:

- (a) the accompanying financial statements of the Group and the Company are drawn up so as to give a true and fair view of the financial position of the Group and of the Company as at 30 April 2024 and of the financial performance, changes in equity and cash flows of the Group for the financial year ended on that date in accordance with the provisions of the Singapore Companies Act 1967 (the "Act") and Singapore Financial Reporting Standards (International); and
- (b) at the date of this statement, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due.

The Board of Directors has, on the date of this statement, authorised these financial statements for issue.

Name of directors

The directors of the Company in office at the date of this statement are:

Sebastian Tan Cher Liang
Eric Khua Kian Keong
Executive Director and Chief Executive Officer
Francis Lee Fook Wah
Derek Loh Eu Tse
Albert Chew Khat Khiam
Independent, Non-Executive Director
Independent, Non-Executive Director
Independent, Non-Executive Director

Arrangements to enable directors to acquire shares or debentures

Neither at the end of nor at any time during the financial year was the Company nor any of its subsidiaries a party to any arrangement whose objects are, or one of whose objects is, to enable the directors of the Company to acquire benefits through the acquisition of shares in or debentures of the Company or of any other body corporate other than as disclosed in this statement.

Directors' interest in shares or debentures

According to the Register of Directors' Shareholdings kept by the Company under Section 164 of the Act, none of the directors who held office at the end of the financial year had any interest in the shares or debentures of the Company or its related corporations, except as follows:

DIRECTORS' STATEMENT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

Directors' interest in shares or debentures (Continued)

Name of director and companies in which interests are held	Holdings at beginning of the year	Holdings at end of the year
Eric Khua Kian Keong		
The Company		
- ordinary shares		
- interests held	38,893,398	38,893,398

 deemed interests 	_	_

By virtue of Section 7 of the Act, Eric Khua Kian Keong is deemed to have interests in the other subsidiaries of the Company at the beginning and at the end of the financial year. There were no changes in any of the above-mentioned interests in the Company between the end of the financial year and 21 May 2024.

Share options

No share options were granted during the financial year to take up unissued shares of the Company or of its subsidiaries.

No shares were issued during the financial year to which this report relates by virtue of the exercise of options to take up unissued shares of the Company or of its subsidiaries. There were no unissued shares of the Company or its subsidiaries under option at the end of the financial year.

Audit Committee

The members of the Audit Committee during the financial year and at the date of this statement are:

Sebastian Tan Cher Liang (Chairman)

Derek Loh Eu Tse

Independent, Non-Executive Chairman

Independent, Non-Executive Director

Albert Chew Khat Khiam

Independent, Non-Executive Director

The Audit Committee performs the functions specified in Section 201B of the Act, the SGX Listing Manual and the Code of Corporate Governance.

The Audit Committee has held two meetings since the last directors' statement. In performing its functions, the Audit Committee met with the Company's external and internal auditors to discuss the scope of their work, the results of their examination and evaluation of the Company's internal accounting control system.

DIRECTORS' STATEMENT

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

Audit Committee (Continued)

The Audit Committee also reviewed the following:

- assistance provided by the Company's officers to the internal and external auditors;
- half yearly financial information and annual financial statements of the Group and the Company prior to their submission to the directors of the Company for adoption; and
- interested person transactions (as defined in Chapter 9 of the SGX Listing Manual).

The Audit Committee has full access to management and is given the resources required for it to discharge its functions. It has full authority and the discretion to invite any director or executive officer to attend its meetings. The Audit Committee also recommends the appointment of the external auditors and reviews the level of audit and non-audit fees.

The Audit Committee is satisfied with the independence and objectivity of the external auditors and has recommended to the Board of Directors that the auditors, Foo Kon Tan LLP, be nominated for re-appointment as auditors at the forthcoming Annual General Meeting of the Company.

In appointing our auditors for the Company, subsidiaries and significant associated companies, we have complied with Rules 712 and 715 of the SGX Listing Manual.

Independent auditor

The independent auditor, Foo Kon Tan LLP, Public Accountants and Chartered Accountants, has expressed its willingness to accept re-appointment.

On behalf of the Directors	
ERIC KHUA KIAN KEONG	
FRANCIS LEE FOOK WAH	

Dated: 8 August 2024

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF VIBRANT GROUP LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Vibrant Group Limited (the "Company") and its subsidiaries (collectively the "Group"), which comprise the consolidated statement of financial position of the Group and the statement of financial position of the Company as at 30 April 2024, and the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows of the Group for the financial year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying consolidated financial statements of the Group and the statement of financial position of the Company are properly drawn up in accordance with the provisions of the Companies Act 1967 (the "Act") and Singapore Financial Reporting Standards (International) ("SFRS(I)s") so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 30 April 2024, and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") *Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1. Impairment assessment on investments in associates and loans extended to an associate

As at 30 April 2024, the carrying amount of the Group's and the Company's investments in associates amounted to \$56.4 million and \$3.5 million which represented approximately 12% and 1.4% of the Group's and the Company's total assets, respectively.

The principal activities of the Group's and the Company's material associates are those of the (i) provision of integrated freight and logistics services, (ii) design and building of commercial and industrial facilities, and (iii) property development.

As disclosed in the Group's accounting policies, interests in associates are carried in the consolidated statement of financial position at cost and adjusted thereafter to recognise the Group's share of profit or loss and other comprehensive income of the associates, less impairment in the values of the individual investments. At the Company's level, it is stated at cost less impairment losses. Accordingly, management is required to assess at each reporting date whether there are any indications that the carrying amounts of interests in associates may be impaired; or indications that an impairment loss previously recognised may no longer exist or may have decreased, respectively. An impairment loss is reversed only to the extent that the increased carrying amount does not exceed the carrying that would have been determined had no impairment loss been recognised in prior years. For those associates in which such indicators exist, management determines the recoverable amounts of the associates.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF VIBRANT GROUP LIMITED

Key Audit Matters (Continued)

1. Impairment assessment on investments in associates and loans extended to an associate (Continued)

During the current financial year, management reversed impairment losses of \$2.4 million and \$0.2 million on the Group's and the Company's investment in associates, in the financial statements of the Group and the Company, respectively.

As disclosed in Note 8 to the financial statements, the reversal of impairment losses in the consolidated and separate financial statements primarily arose from the Group's interest in Vibrant Pucheng Logistics (Chongqing) Co., Ltd ("Vibrant Pucheng") and Figtree Holdings Limited ("Figtree") amounting to \$1.4 million and \$1.0 million, and the Company's interest in Vibrant Pucheng amounting to \$0.2 million, respectively.

(a) Reversal of impairment losses on the investment in Vibrant Pucheng

Vibrant Pucheng is the legal owner of a multi-modal logistics distribution centre (the "Property") in the People's Republic of China. As at 30 April 2024, there were indications that impairment loss previously recognised may no longer exist or may have decreased in respect of the Group's and the Company's investment in Vibrant Pucheng in accordance with SFRS(I) 1-36 – *Impairment of Assets*. Management determined the recoverable amount of its investment in Vibrant Pucheng to be \$1.0 million based on its Residual Net Assets Value ("RNAV") as at 30 April 2024. Accordingly, management reversed impairment loss of \$1.4 million in the consolidated statement of comprehensive income in the current financial year after accounting for the Group's share of losses and other comprehensive losses of \$1.2 million. At the Company's level, management reversed impairment loss of \$0.2 million in the statement of comprehensive income.

The RNAV of Vibrant Pucheng is sensitive to the valuation of the Property determined based on independent external valuation carried out by the PRC court's appointed valuer.

(b) Reversal of impairment loss on the investment in Figtree

In respect of the Group's interest in Figtree amounting to \$2.9 million as at 30 April 2024, the recoverable amount was determined based on the fair value of the quoted investments in Figtree determined by reference to the stock exchange quoted bid price as at 30 April 2024. Accordingly, management reversed impairment loss of \$1.0 million in the consolidated statement of comprehensive income in the current financial year after accounting for the Group's share of losses and other comprehensive losses of \$0.3 million.

We identified the impairment assessment of interests in associates as a key audit matter due to the significance of the amount in the context of the Group's financial statements, combined with the judgements involved in management's impairment assessment of the interests in associates. Significant judgements and estimates are involved in determining the appropriate valuation methods and assumptions applied in the valuation of the Property in determining the recoverable amount of the Group's and the Company's investment in Vibrant Pucheng.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF VIBRANT GROUP LIMITED

Key Audit Matters (Continued)

1. Impairment assessment on investments in associates and loans extended to an associate (Continued)

In addition, at the reporting date, loans and related interest receivable amounting to \$18.4 million (equivalent to RMB98.3 million) and \$8.8 million (equivalent to RMB46.8 million), respectively, were owing to the Group by Vibrant Pucheng as disclosed in Note 11(b)(i) to the financial statements. The Group's and the Company's loans to Vibrant Pucheng were used to fund the construction of the Project.

Management has considered the inherent uncertainties on the recoverability of the loans and related interest receivable from Vibrant Pucheng in respect of the ongoing legal proceedings as mentioned in the preceding paragraph and concluded that Vibrant Pucheng will have sufficient liquid assets on disposal of the Property to repay the shareholders' loan and accrued interest owing to the Group and other shareholders and settle the legal claim owing to the contractor and other liabilities as at the reporting date. Accordingly, management has determined the expected credit loss on the carrying amounts of the loan and accrued interest to be \$Nil as at the balance sheet date.

The determination of the expected credit losses requires management to exercise significant judgment and the use of estimates. As such, we have determined this to be a key audit matter.

Our response and work performed:

In respect of the impairment assessment on the Group's and the Company's interests in the associates, we gained an understanding of the management's process for identifying the existence of impairment indicators in respect of the interests in associates and evaluating the effectiveness of such process. Where indicators of impairment exists or indications that impairment loss previously recognised may no longer exist or may have decreased, we assessed the reasonableness of the recoverable amount of each of the relevant associates and obtained an understanding from management of their financial positions and future prospects. We assessed the reasonableness of the key inputs and assumptions used by management in their estimation of recoverable amounts.

In respect of the valuation of the Property owned by Vibrant Pucheng, we have obtained an understanding of the scope of the work of the PRC court's appointed valuer. Through our appointed auditor's expert, we noted that the key assumptions applied are generally within the range of market data available as at the balance sheet date. We performed re-computation to ascertain the accuracy of the impairment losses reversed during the current financial year. In addition, we have reviewed the appropriateness of the necessary disclosures in the financial statements. In respect of the recoverable amount of the Group's interest in Figtree, we have checked to the source of the information (i.e. the quoted bid price as at 30 April 2024) used by management and ascertained the reliability.

In respect of the impairment assessment on the Group's loans extended to Vibrant Pucheng, we obtained an understanding of management's impairment process relating to the loans extended to Vibrant Pucheng, including the process in determining whether the loan is credit impaired and assessed the reasonableness of the Group's determination on whether there is a significant increase in credit risk of Vibrant Pucheng based on the Group's policy and the resultant classification of the loan exposure into the various stages under the expected credit loss ("ECL") general approach. We have also assessed the reasonableness of key data sources, assumptions and forward-looking information used in the ECL computation, and performed re-computation to determine the recoverable amount of the loans and interest receivable and evaluated management's conclusion.

The Group's disclosures on investments in associates and loans to an associate are included in Notes 8 and 11, respectively, to the financial statements.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF VIBRANT GROUP LIMITED

Key Audit Matters (Continued)

2. Valuation of investment properties

As at 30 April 2024, the Group's investment properties comprised an investment property each in Malaysia and PRC with an aggregate carrying amount of \$134.0 million, representing 28% of the Group's total assets. Investment properties represent the most significant asset item on the consolidated statement of financial position.

The Group's accounting policy is to state investment properties at fair value based on independent external valuations. The valuation process involves significant judgment in determining the appropriate valuation methodology to be used, and in estimating the underlying assumptions to be applied. A small change in the key assumptions applied by the valuers such as the discount rate, terminal yield rate, capitalisation rate and price per square metre can have a significant impact to the valuation. During the current financial year, the Group recorded a fair value gain of \$0.3 million on investment properties in the consolidated statement of comprehensive income.

Our response and work performed:

In respect of the valuation of the Group's investment properties, we understood the valuation methodologies used against those applied by the external valuers of each property for similar property types.

In respect of the valuation of the Group's investment property in Malaysia, through our appointed auditor's expert, we have compared the key assumptions used in the external valuers' valuation by reference to public data such as recent sales transactions, internal available data and historical benchmarks and considered whether these assumptions are consistent with the current market environment.

In respect of the valuation of the Group's investment property in the PRC, we tested the integrity of inputs of the projected cashflows used in the valuations to lease contracts and other documents.

We challenged the key assumptions used by the external valuer in the valuation, which included capitalisation, discount and terminal yield rates by comparing them against historical rates and available industry rate, taking into consideration, comparability and market factors. We have also reviewed the mathematical accuracy of the fundamental calculation steps.

We have evaluated the professional competence, qualifications and objectivity of the management experts and obtained an understanding of the work of the management experts and evaluated the appropriateness of the experts' work as audit evidence for the relevant assertion. We evaluated whether the auditor's expert has the necessary competence, capability and objectivity for our group audit purposes. We have also discussed with the external valuers to understand how they have considered the implications of possible slowdown in the PRC's property segment and market uncertainties in the valuations.

The inherent degree of subjectivity and key assumptions used in the estimates, which included the relationship between the key unobservable inputs and fair values, in conveying the uncertainties are disclosed in Notes 6 and 31, respectively, to the financial statements.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF VIBRANT GROUP LIMITED

Key Audit Matters (Continued)

3. Recoverability of trade and other receivables

Trade and other receivables balances (Note 11) were significant to the Group as they represent 15% of the Group's total assets. The collectability of the trade and other receivables are key elements of the Group's working capital management, which is managed on an ongoing basis by management. The Group determines impairment of trade and other receivables by making debtor-specific assessment for credit-impaired debtors.

For the Group's trade receivables, management uses an allowance matrix to measure the expected credit losses ("ECL") from individual customers, which comprise a very large number of small balances. Loss rates are calculated using a "roll rate" method based on the probability of a receivable progressing through successive stages of delinquency to write-off. Roll rates are calculated based on common credit risk characteristics, i.e. respective ageing categories based on two-years historical data, adjusted for current and forward-looking information.

For other receivables, which included loans extended to an associate (as discussed in the first key audit matter), non-trade advances to related and third parties and non-controlling interests of its subsidiaries, management carried out assessment of qualitative and quantitative factors that are indicative of the risk of default, and determined the expected credit loss for each outstanding receivable based on probabilities of default and loss given default, using published historical data supplied by credit rating agencies and forward-looking information.

During the current financial year, management reversed impairment losses of \$0.4 million and recorded impairment loss of \$23.6 million on the Group's and the Company's trade and other receivables, respectively, in the financial statements for the current financial year (See Note 30). This area is a key audit matter due to the amounts involved, as well as the inherent subjectivity that was involved in judgment made by the management in relation to assumptions used in the ECL model such as forward-looking macroeconomic factors.

Our response and work performed:

As part of our audit, we assessed the Group's processes relating to the monitoring of trade and other receivables, including the process in determining whether a debtor is credit-impaired and the Group's processes in collating the key data sources and assumptions for data used in the ECL model. We reviewed the key data sources and assumptions for data used in the determination of default rate and the correlation between the default rate and the current and forward-looking adjustment factor. We considered the age of the debts as well as the trend of collections to identify collection risks. We obtained trade and other receivable confirmations and reviewed for collectability by way of obtaining evidence of receipts from the debtors on a sampling basis, subsequent to the balance sheet date. We also considered the disclosures in the financial statements about the extent of estimation and judgement involved in determining allowance for doubtful debts. Disclosure of the pertinent information has also been set out in Notes 11 and 30 to the financial statements.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF VIBRANT GROUP LIMITED

Key Audit Matters (Continued)

4. Impairment assessment of the Group's property, plant and equipment and right-of-use assets

Despite the Group registering net profit before tax for the current financial year, management has identified a wholly-owned overseas subsidiary that has reported losses before tax and deficiency in net assets which are indicators of impairment. Management has assessed and determined that the entity's property, plant and equipment ("PPE") and right-of-use assets ("ROU") comprising mainly motor vehicles, trucks and prime movers amounting to approximately \$3.1 million are distinct cash generating units that generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets.

Management performed impairment tests by comparing the carrying amounts of the subsidiary's PPE to their respective recoverable amounts which are the higher of fair value less costs of disposal ("FVLCD") and value-in-use. The recoverable amount of the PPE is based on the FVLCD determined by the appointed external valuer ("management expert"). In determining the FVLCD of the PPE, the management expert used the depreciable replacement cost ("DRC") method which takes into consideration the current replacement cost of the PPE, less accumulated depreciation to reflect the already consumed or expired future economic benefits of the PPE.

Based on management's assessment, the recoverable amount of the PPE was higher than their respective carrying amounts and accordingly, no impairment loss was recognised in the current financial year.

Our response and work performed:

We have validated the source data of the current replacement costs and performed re-computation of the DRC of selected PPE samples as at 30 April 2024. Furthermore, we have evaluated the professional competence, qualifications and objectivity of the management expert and obtained an understanding of the work of the management expert and evaluated the appropriateness of the management experts' work as audit evidence for the relevant assertion. Lastly, we have evaluated management's assessment of impairment by comparing the carrying amount of the related PPE against the recoverable amount as at 30 April 2024. We have also performed sensitivity analysis and considered the cost to sell to determine if any impairment loss is required.

Information other than the Financial Statements and Auditor's Report thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF VIBRANT GROUP LIMITED

Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and SFRS(I)s, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF VIBRANT GROUP LIMITED

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required by the Act to be kept by the Company and by those subsidiary companies incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditor's report is Kong Chih Hsiang Raymond.

Foo Kon Tan LLP Public Accountants and Chartered Accountants

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

1 GENERAL INFORMATION

The financial statements of the Group and of the Company for the financial year ended 30 April 2024 were authorised for issue in accordance with a resolution of the directors on the date of the Directors' Statement.

The Company was incorporated as a limited liability company and domiciled in Singapore. The registered office and place of business is located at 51 Penjuru Road, #04-00, Singapore 609143.

The principal activities of the Group are those relating to freight forwarding, chemical logistics, warehousing and logistics, leasing of industrial buildings, investment holding, real estate fund and property management services, financial leasing services, property development and property investment. The principal activities of the Company are that of an investment holding company.

The immediate and ultimate holding company during the financial year is Vibrant Capital Pte. Ltd., a company incorporated in Singapore.

2 BASIS OF PREPARATION

2.1 Statement of compliance

The financial statements are prepared in accordance with the provisions of the Singapore Companies Act 1967 and Singapore Financial Reporting Standards (International) ("SFRS(I)").

2.2 Basis of measurement

The financial statements have been prepared on the historical cost basis except as otherwise described in the notes below.

2.3 Functional and presentation currency

Items included in the financial statements of each entity in the Group are measured using the currency of the primary economic environment in which the entity operates ("functional currency").

These financial statements are presented in Singapore dollars which is the Company's functional currency. All financial information has been presented in Singapore dollars and rounded to the nearest thousand (\$'000), unless otherwise stated.

2.4 Use of estimates and judgements

The preparation of the financial statements in conformity with SFRS(I) requires the use of judgements, estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the financial year. Although these estimates are based on management's best knowledge of current events and actions, actual results may differ from those estimates.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

2 BASIS OF PREPARATION (CONTINUED)

2.4 Use of estimates and judgements (Continued)

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

The critical accounting estimates and assumptions used in applying accounting policies and areas involving a high degree of judgement are described below.

(a) Judgements made in applying accounting policies

In the process of applying the Group's accounting policies, management has made the following judgements which have the most significant effect on the amounts recognised in the consolidated financial statements:

(i) Contingent liabilities

Recognition and measurement for contingent liabilities is based on management's view of the expected outcome of the contingencies after consulting legal counsel for litigation cases and experts. Details of the Group's contingent liabilities are presented in Note 28 to the financial statements.

(b) Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of each reporting period are discussed below. The Group based on its assumptions and estimates on parameters available when the financial statements are prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

(i) Impairment of non-financial assets (Notes 4, 5, 7 and 8)

The Group and the Company assessed whether there are any indicators of impairment for non-financial assets, comprising, property, plant and equipment, right-of-use assets and investments in subsidiaries and associates at the end of each reporting period. These non-financial assets are tested for impairment when there are indicators that the carrying amounts may not be recoverable.

An impairment exists when the carrying value of an asset or a cash-generating unit exceeds its recoverable amount, which is the higher of its fair value less costs to sell and its value-in-use.

(ii) Valuation of investment properties (Notes 6 and 31)

Investment properties are stated at fair value based on valuation performed by an independent professional valuer. In determining the fair value, the valuer used a valuation method which involves certain estimates. In relying on the valuation report, management has exercised judgement and is satisfied that the valuation method is reflective of the current market conditions and the estimations used are appropriate. The Group's carrying amount of investment properties is disclosed in Note 6 to the financial statements.

Refer to Note 31 for the determination of fair value of investment properties.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

2 BASIS OF PREPARATION (CONTINUED)

2.4 Use of estimates and judgements (Continued)

- (b) Key sources of estimation uncertainty (Continued)
 - (iii) Provision of expected credit losses of trade and other receivables (Note 11)

As at 30 April 2024, the Group's and the Company's net trade receivables amounted to \$26.2 million and \$0.3 million (2023 – \$27.7 million and \$0.5 million), respectively. Management uses a provision matrix to calculate expected credit losses (ECLs) for trade receivables from individual customers, which comprise a very large number of small balances.

Loss rates are calculated using a "roll rate" method based on the probability of a receivable progressing through successive stages of delinquency to write off. Roll rates are calculated separately for exposures in different segments based on the historical observed default rates.

Management will calibrate the matrix to adjust historical credit loss experience with forward-looking information. At each reporting date, the historical default rates are updated and changes in the forward-looking estimates are analysed.

The Group's and the Company's credit risk exposures on finance lease receivables, other receivables comprising loans to and non-trade amounts due from subsidiaries, associates, related and third parties are assessed based on qualitative and quantitative factors that are indicative of risk of default (including but not limited to external ratings, audited financial statements, management accounts, cashflow projections and available press information). Impairment on these balances has been measured on a 12-month expected credit loss basis.

The assessment of the correlation between historical observed default rates, forecast economic conditions and ECLs is a significant estimate. The amount of ECLs is sensitive to changes in circumstances and forecast of economic conditions. The Group's and the Company's historical credit loss experiences and forecast of economic conditions may also not be representative of its trade and other receivables' actual default in the future. The information about the ECLs on the Group's and the Company's trade and other receivables is disclosed in Notes 11 and 30.

2.5 Adoption of new and amended standards and interpretations

The Group has applied the following SFRS(I)s, amendments to SFRS(I)s for the first time for the annual period beginning on 1 May 2023:

 Amendment to SFRS(I) 1-1 and SFRS(I) Practice Statement 2 Disclosure of Accounting Policies

Amendment to SFRS(I) 1-8 : Definition of Accounting Estimates

Amendment to SFRS(I) 1-12 : Deferred Tax related to Assets and Liabilities arising from a

Single Transaction

• Amendment to SFRS(I) 1-12 : International Tax Reform - Pillar Two Model Rules

• SFRS(I) 17 : Insurance Contracts

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

2 BASIS OF PREPARATION (CONTINUED)

2.5 Adoption of new and amended standards and interpretations (Continued)

The adoption of these new and revised SFRS(I) pronouncements did not result in significant changes to the Group's and the Company's accounting policies and has no material effect on the amounts or the disclosures reported for the current or prior reporting periods, except as discussed below:

Amendments to SFRS(I) 1-12 Deferred Tax related to Assets and Liabilities arising from a Single Transaction

The Group has adopted the amendments from 1 May 2023. The amendments are applied to transactions that occurred on or after the beginning of the earliest comparative period presented. In addition, at the beginning of the earliest comparative period presented, deferred tax assets and deferred tax liabilities shall be recognised for all deductible and taxable temporary differences associated with leases and decommissioning obligations.

The Group previously accounted for deferred tax on leases by recognising the deferred tax assets or liabilities on a net basis. As at 30 April 2023, the Group reported deferred tax assets of \$0.9 million and deferred tax liabilities of \$11.2 million.

On adoption of the amendments, the Group has re-grossed and recognised a deferred tax liabilities of \$8.6 million (2023 – \$10.3 million) in relation to its right-of-use assets, and a deferred tax assets of \$9.7 million (2023 – \$11.3 million), in relation to its lease liabilities, separately, disclosed in Note 10.

However, there was no impact on the statement of financial position because the balances qualify for offset under paragraph 74 of SFRS(I) 1-12. There was also no impact on the opening retained earnings as at 1 May 2022 and 2023 as a result of the change.

2.6 Standards issued but not yet effective

At the date of authorisation of these financial statements, the Group and the Company have not adopted the new and revised SFRS(I), and amendments to SFRS(I) that have been issued but are not yet effective. Management anticipates that the adoption of these new and revised SFRS(I) pronouncements in future periods will not have a material impact on the Group's and the Company's financial statements in the period of their initial application.

Effective date

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION

3.1 Basis of consolidation

Business combinations

Business combination is accounted for using the acquisition method when the acquired set of activities and assets meets the definition of a business and control is transferred to the Group. In determining whether a particular set of activities and assets is a business, the Group assesses whether it includes, at a minimum, an input and substantive process, and whether the acquired set has the ability to produce outputs.

The Group has an option to apply a 'concentration test' that permits a simplified assessment of whether an acquired set of activities and assets is not a business. The optional 'concentration test' is met, and the acquired set of activities and assets is not a business, if substantially all of the fair value of the gross assets acquired is concentrated in a single identifiable asset or group of similar identifiable assets.

Acquisitions before 1 May 2017

As part of transition to SFRS(I), the Group elected not to restate those business combinations that occurred before the date of transition to SFRS(I) i.e. 1 May 2017. Goodwill arising from acquisitions before 1 May 2017 has been carried forward from the previous FRS framework as at the date of transition.

Acquisitions from 1 May 2017

For acquisitions from 1 May 2017, the Group measures goodwill at the date of acquisition as:

- the fair value of the consideration transferred; plus
- the recognised amount of any non-controlling interests (NCI) in the acquiree; plus
- if the business combination is achieved in stages, the fair value of the pre-existing equity interest in the acquiree,

over the net recognised amount (generally fair value) of the identifiable assets acquired and liabilities assumed. Any goodwill that arises is tested annually for impairment.

When the excess is negative, a bargain purchase gain is recognised immediately in the consolidated statement of comprehensive income.

The consideration transferred does not include amounts related to the settlement of pre-existing relationships. Such amounts are generally recognised in the statement of comprehensive income.

Any contingent consideration payable is recognised at fair value at the date of acquisition and included in the consideration transferred. If the contingent consideration that meets the definition of a financial instrument is classified as equity, it is not remeasured and settlement is accounted for within equity. Otherwise, other contingent consideration is remeasured at fair value at each reporting date and subsequent changes to the fair value of the contingent consideration are recognised in the statement of comprehensive income.

When share-based payment awards (replacement awards) are exchanged for awards held by the acquiree's employees (acquiree's awards) and relate to past services, then all or a portion of the amount of the acquirer's replacement awards is included in measuring the consideration transferred in the business combination. This determination is based on the market-based value of the replacement awards compared with the market-based value of the acquiree's awards and the extent to which the replacement awards relate to past and/or future service.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.1 Basis of consolidation (Continued)

Business combinations (Continued)

Acquisitions from 1 May 2017 (Continued)

NCIs that are present ownership interests and entitle their holders to a proportionate share of the acquiree's net assets in the event of liquidation are measured either at fair value or at the NCI's proportionate share of the recognised amounts of the acquiree's identifiable net assets, at the date of acquisition. The measurement basis taken is elected on a transaction-by-transaction basis. All other NCIs are measured at acquisition-date fair value, unless another measurement basis is required by SFRS(I)s.

Costs related to the acquisition, other than those associated with the issue of debt or equity investments, that the Group incurs in connection with a business combination are expensed as incurred.

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at the end of the reporting period. The financial statements of the subsidiaries used in the preparation of the consolidated financial statements are prepared for the same reporting date as the Company. Consistent accounting policies are applied to transactions and events in similar circumstances.

All intra-group balances, income and expenses, and unrealised gains and losses resulting from intra-group transactions and dividends are eliminated in full.

Subsidiaries are consolidated from the date of acquisition, being the date on which the Group obtains control and continue to be consolidated until the date that such control ceases. Losses and other comprehensive income applicable to the non-controlling interests in a subsidiary are allocated to non-controlling interests even if doing so causes the non-controlling interests to have a deficit balance.

A subsidiary is an investee that is controlled by the Group. The Group controls an investee when it is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

Thus, the Group controls an investee if, and only if, the Group has all of the following:

- power over the investee;
- exposure, or rights to variable returns from its involvement with the investee; and
- the ability to use its power over the investee to affect its returns.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

When the Group has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.1 Basis of consolidation (Continued)

Business combinations (Continued)

The Group considers all relevant facts and circumstances in assessing whether or not the Group's voting rights in an investee are sufficient to give it power, including:

- the size of the Group's holding of voting rights relative to the size and dispersion of holdings of the other vote holders:
- potential voting rights held by the Group, other vote holders or other parties;
- rights arising from other contractual arrangements; and
- any additional facts and circumstances that indicate that the Group has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

Non-controlling interests represent the equity in subsidiaries not attributable, directly or indirectly, to owners of the Company, and are presented separately in the consolidated statement of comprehensive income and within equity in the consolidated statement of financial position, separately from equity attributable to owners of the Company.

Changes in ownership interests in subsidiaries without loss of control

Changes in the Group's ownership interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Group.

When the Group loses control over a subsidiary, a gain or loss is recognised in the consolidated statement of comprehensive income and is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest; and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary and any non-controlling interest.

All amounts previously recognised in other comprehensive income in relation to that subsidiary are accounted for as if the Group had directly disposed of the related assets or liabilities of the subsidiary (i.e. reclassified to profit or loss or transferred to another category of equity as specified/permitted by applicable SFRS(I)s). The fair value of any investment retained in the former subsidiary at the date when the control is lost is regarded as the fair value on the initial recognition for subsequent accounting under SFRS(I) 9 or, when applicable, the cost on initial recognition of an investment in an associate or a joint venture.

3.2 Property, plant and equipment and depreciation

Property, plant and equipment are stated at cost, less accumulated depreciation and accumulated impairment losses, if any. Depreciation on other items of property, plant and equipment is calculated using the straight-line method to allocate their depreciable amount over their estimated useful lives as follows:

Leasehold buildings : 10 to 60 years, or lease term if shorter

Motor vehicles, trucks and prime movers : 5 to 15 years
Office equipment and machinery : 5 to 30 years
Furniture, fixtures and fittings : 3 to 10 years

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.2 Property, plant and equipment and depreciation (Continued)

The cost of property, plant and equipment includes expenditure that is directly attributable to the acquisition of the items. Dismantlement, removal or restoration costs are included as part of the cost of property, plant and equipment if the obligation for dismantlement, removal or restoration is incurred as a consequence of acquiring or using the asset.

Subsequent expenditure relating to property, plant and equipment that have been recognised is added to the carrying amount of the asset when it is probable that future economic benefits in excess of the standard of performance of the asset before the expenditure was made will flow to the Group and the cost can be reliably measured. Other subsequent expenditure is recognised as an expense during the financial year in which it is incurred.

For acquisitions and disposals during the financial year, depreciation is provided from the date of acquisition and to the date before disposal, respectively. Fully depreciated property, plant and equipment are retained in the books of accounts until they are no longer in use.

The gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amounts of the assets and is recognised on the statement of comprehensive income.

Depreciation methods, useful lives and residual values are reviewed, and adjusted as appropriate, at each reporting date as a change in estimates.

3.3 Leases

(i) The Group as a lessee

The Group assesses whether a contract is or contains a lease at inception of the contract. The Group recognises a right-of-use asset and a corresponding lease liability with respect to all lease arrangements in which it is the lessee, except for short-term leases (defined as leases with a lease term of twelve months or less) and leases of low value assets. For these leases, the Group recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased assets are consumed.

(a) Lease liability

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the Group uses the incremental borrowing rate specific to the lessee.

The incremental borrowing rate is defined as the rate of interest that the lessee would have to pay to borrow over a similar term and with a similar security the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.3 Leases (Continued)

- (i) The Group as a lessee (Continued)
 - (a) Lease liability (Continued)

Lease payments included in the measurement of the lease liability comprise:

- fixed lease payments (including in-substance fixed payments), less any lease incentives;
- variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;
- the amount expected to be payable by the lessee under residual value guarantee;
- exercise price of purchase options, if the lessee is reasonably certain to exercise the options;
 and
- payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

Variable lease payments that are not based on an index or a rate are not included as part of the measurement and initial recognition of the lease liability. The Group shall recognise those lease payments in the statement of comprehensive income in the periods that trigger those lease payments.

For all contracts that contain both lease and non-lease components, the Group has elected to not separate lease and non-lease components and account these as one single lease component.

The lease liabilities are presented as a separate line item in the consolidated statement of financial position. The lease liability is subsequently measured at amortised cost, by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

The Group remeasures the lease liability (with a corresponding adjustment to the related right-of-use asset or to the statement of comprehensive income if the carrying amount of the right-of-use asset has already been reduced to nil) whenever:

- the lease term has changed or there is a significant event or change in circumstances resulting
 in a change in the assessment of exercise of a purchase option, in which case the lease liability
 is remeasured by discounting the revised lease payments using a revised discount rate;
- the lease payments change due to changes in an index or rate or a change in expected payment
 under a guaranteed residual value, in which case the lease liability is remeasured by discounting
 the revised lease payments using the initial discount rate (unless the lease payments change is
 due to a change in a floating interest rate, in which case a revised discount rate is used); or
- a lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate at the effective date of the modification.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.3 Leases (Continued)

- (i) The Group as a lessee (Continued)
 - (b) Right-of-use asset

The right-of-use asset comprises the initial measurement of the corresponding lease liability, lease payments made at or before the commencement day, less any lease incentives received and any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Whenever the Group incurs an obligation for costs to dismantle and remove a leased asset, restore the site on which it is located or restore the underlying asset to the condition required by the terms and conditions of the lease, a provision is recognised and measured under SFRS(I) 1-37. To the extent that the costs relate to a right-of-use asset, the costs are included in the related right-of-use asset, unless those costs are incurred to produce inventories.

Depreciation on right-of-use assets is calculated using the straight-line method to allocate their depreciable amounts over the shorter period of lease term and useful life of the underlying asset, as follows:

Leasehold land and building : 2 years to 37 years

Warehouse complex : Over the lease period of 10 years

Motor vehicles, trucks & prime movers : 2 years to 5 years
Office equipment & machinery : 2 years to 5 years
Furniture, fixtures & fittings : 3 years to 5 years

If a lease transfers ownership of the underlying asset or the cost of the right-of-use asset reflects that the Group expects to exercise a purchase option, the related right-of-use asset is depreciated over the useful life of the underlying asset. The depreciation starts at the commencement date of the lease.

The right-of-use assets are presented as a separate line item in the consolidated statement of financial position. A right-of-use asset which meets the definition of an investment property is presented within "investment properties" in the statement of financial position. The Group applies SFRS(I) 1-36 to determine whether a right-of-use asset is impaired and accounts for any identified impairment loss.

(ii) The Group as a lessor

When the Group acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease. To classify each lease, the Group makes an overall assessment of whether the lease transfers substantially all of the risks and rewards incidental to ownership of the underlying asset. If this is the case, then the lease is a finance lease; if not, then it is an operating lease. As part of this assessment, the Group considers certain indicators such as whether the lease is for the major part of the economic life of the asset.

At inception or on modification of a contract that contains a lease component, the Group allocates the consideration in the contract to each lease component on the basis of their relative stand-alone prices. If an arrangement contains lease and non-lease components, then the Group applies SFRS(I) 15 to allocate the consideration in the contract. The Group applies the derecognition and impairment requirements in SFRS(I) 9 to the net investment in the lease. The Group regularly reviews the estimated unguaranteed residual values used in calculating the gross investment in the lease.

70 vibrant group limited

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.4 Investment properties

Investment properties are properties held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes.

Investment properties are measured at cost on initial recognition and subsequently at fair value, determined annually by independent professional valuers on a highest and best use basis, with changes recognised in the statement of comprehensive income.

Any gain or loss on disposal of an investment property (calculated as the difference between the net proceeds from disposal and the carrying amount of the item) is recognised in the statement of comprehensive income.

When the use of a property changes such that it is reclassified as property, plant and equipment or development properties, its fair value at the date of reclassification becomes its cost for subsequent accounting. Property that is being constructed for future use as investment property is accounted for at fair value.

3.5 Subsidiaries

In the Company's separate financial statements, investments in subsidiaries are stated at cost less allowance for any impairment losses on an individual subsidiary basis.

3.6 Associates

Associates are those entities in which the Group has significant influence, but not control or joint control, over the financial and operating policies of these entities. Significant influence is presumed to exist when the Group holds 20% or more of the voting power of another entity.

Investments in associates are accounted for using the equity method. They are recognised initially at cost, which includes transaction costs. Subsequent to initial recognition, the consolidated financial statements include the Group's share of the profit or loss and other comprehensive income of the equity-accounted investees, after adjustments to align the accounting policies of the equity accounted investees with those of the Group, from the date that significant influence commences until the date that significant influence ceases.

When the Group's share of losses exceeds its interest in an equity-accounted investee, the carrying amount of the investment, together with any long-term interests that form part thereof, is reduced to zero, and the recognition of further losses is discontinued except to the extent that the Group has an obligation to fund the investee's operations or has made payments on behalf of the investee.

In the Company's separate financial statements, investments in associates are stated at cost less allowance for any impairment losses on an individual associate basis.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.7 Impairment of non-financial assets

As at each reporting date, the Group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value-in-use. In assessing value-in-use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement of comprehensive income, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset (cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the statement of comprehensive income, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

3.8 Financial instruments

Financial instruments carried on the statement of financial position include financial assets and financial liabilities. The particular recognition methods adopted are disclosed in the individual policy statements associated with each item. These are recognised on the Group's and the Company's statement of financial position when the Group and the Company become a party to the contractual provisions of the instrument. Disclosures of the Group's and the Company's financial risk management objectives and policies are provided in Note 30.

Financial assets and financial liabilities are offset and the net amount presented on the statement of financial position when, and only when, the Group currently has a legally enforceable right to set off the recognised amounts, and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.9 Financial assets

Recognition and initial measurement

Non-derivative financial assets and financial liabilities

Trade receivables issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument.

A financial asset (unless it is a trade receivable without a significant financing component) or financial liability is initially measured at fair value plus, for an item not at fair value through profit or loss ("FVTPL"), transaction costs that are directly attributable to its acquisition or issue. A trade receivable without a significant financing component is initially measured at the transaction price.

On initial recognition, a financial asset is classified as measured at: amortised cost; fair value through other comprehensive income ("FVOCI"); or FVTPL. Financial assets are not reclassified subsequent to their initial recognition unless the Group changes its business model for managing financial assets, in which case all affected financial assets are reclassified on the first day of the first reporting period following the change in the business model.

(i) <u>Financial assets at amortised cost</u>

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- it is held within a business model whose objective is to hold assets to collect contractual cash flows;
 and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Equity investments at FVOCI

On initial recognition of an equity investment that is not held-for-trading, the Group may irrevocably elect to present subsequent changes in the investment's fair value in OCI. This election is made on an investment-by-investment basis.

(iii) Financial assets at FVTPL

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. On initial recognition, the Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.9 Financial assets (Continued)

Business model assessment

The Group makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. These include
 whether management's strategy focuses on earning contractual interest income, maintaining a particular interest
 rate profile, matching the duration of the financial assets to the duration of any related liabilities or expected
 cash outflows or realising cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Group's management;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- how managers of the business are compensated e.g. whether compensation is based on the fair value of the assets managed or the contractual cash flows collected; and
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Group's continuing recognition of the assets.

Financial assets that are held-for-trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset, on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Group considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.9 Financial assets (Continued)

Assessment whether contractual cash flows are solely payments of principal and interest (Continued)

In making this assessment, the Group considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable rate features;
- prepayment and extension features; and
- terms that limit the Group's claim to cash flows from specified assets (e.g. non-recourse features).

A prepayment feature is consistent with the solely payments of principal and interest criterion if the prepayment amount substantially represents unpaid amounts of principal and interest on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a significant discount or premium to its contractual par amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

Subsequent measurement and gains and losses

(i) Financial assets at FVTPL

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in the statement of comprehensive income.

(ii) Financial assets at amortised cost

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in the statement of comprehensive income. Any gain or loss on derecognition is recognised in the statement of comprehensive income.

(iii) Equity investments at FVOCI

These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are never reclassified to the statement of comprehensive income.

Derecognition

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

The Group enters into transactions whereby it transfers assets recognised in its statement of financial position but retains either all or substantially all of the risks and rewards of the transferred assets. In these cases, the transferred assets are not derecognised.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.10 Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand, and short-term deposits with maturities of three months or less from the date of acquisition that are subject to an insignificant risk of changes in their fair value, and are used by the Group in the management of its short-term commitments.

3.11 Value-added tax and Goods & Services Tax

Revenue, expenses and assets are recognised net of the amount of value-added tax ("VAT") or Goods & Services Tax ("GST"), except where the VAT/GST incurred on a purchase of assets or services is not recoverable from the taxation authorities, in which case the VAT/GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable, and except that trade receivables and trade payables are recorded with the amount of VAT/GST included. The net amount of VAT/GST recoverable from or payable to the taxation authorities are included as part of other receivables or other payables in the statement of financial position.

3.12 Share capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are deducted against the share capital account.

3.13 Treasury shares

The Group's own equity instruments, which are reacquired (treasury shares) are recognised at cost and deducted from equity. No gain or loss is recognised in the statement of comprehensive income on the purchase, sale, issue or cancellation of the Group's own equity instruments. Any difference between the carrying amount of treasury shares and the consideration received, if reissued, is recognised directly in equity. Voting rights related to treasury shares are nullified for the Group and no dividends are allocated to them.

3.14 Dividends

Final dividends proposed by the directors are not accounted for in shareholders' equity as an appropriation of retained profit, until they have been approved by the shareholders in a general meeting. When these dividends have been approved by the shareholders and declared, they are recognised as a liability.

Interim dividends are simultaneously proposed and declared, because the regulation of constitution of the Company grants the directors the authority to declare interim dividends. Consequently, interim dividends are recognised directly as a liability when they are proposed and declared.

3.15 Borrowings

Borrowings are presented as current liabilities unless the Group has an unconditional right to defer settlement for at least 12 months after the balance sheet date, in which case they are presented as non-current liabilities. Borrowings are initially recognised at fair value (net of transaction costs) and subsequently carried at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption value is recognised in profit or loss over the period of the borrowings using the effective interest method.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.16 Trade and other payables

Trade and other payables represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. They are classified as current liabilities if payment is due within one year or less (or in the normal operating cycle of the business if longer). Otherwise, they are presented as non-current liabilities. Trade and other payables are initially recognised at fair value, and subsequently carried at amortised cost using the effective interest method.

3.17 Provisions

Provisions are recognised when the Group and the Company have a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The directors review the provisions annually and where in their opinion, the provision is inadequate or excessive, due adjustment is made.

3.18 Contingencies

A contingent liability is:

- (a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group; or
- (b) a present obligation that arises from past events but is not recognised because:
 - (i) It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - (ii) The amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group. Contingent liabilities and assets are not recognised on the statement of financial position of the Group, except for contingent liabilities assumed in a business combination that are present obligations and where the fair values can be reliably determined.

3.19 Borrowing costs

Borrowing costs are recognised in the statement of comprehensive income as incurred except to the extent that they are capitalised. Borrowing costs are capitalised if they are directly attributable to the acquisition, construction or production of a qualifying asset. Foreign exchange differences arising from foreign currency borrowings are capitalised to the extent that they are regarded as an adjustment to interest costs. Capitalisation of borrowing costs commences when the activities to prepare the asset for its intended use or sale are in progress and the expenditures and borrowing costs are incurred. Borrowing costs are capitalised until the assets are ready for their intended use or sale.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.20 Financial guarantee contracts

Financial guarantees are financial instruments issued by the Company that require the issuer to make specified payments to reimburse the holder for the loss it incurs because a specified debtor fails to meet payment when due in accordance with the original or modified terms of a debt instrument.

Financial guarantees issued are initially measured at fair value. Subsequently, they are measured at the higher of the loss allowance determined in accordance with SFRS(I) 9 and the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of SFRS(I) 15.

ECLs are probability-weighted estimate of credit losses. ECLs are measured for financial guarantees issued as the expected payments to reimburse the holder less any amounts that the Company expects to recover.

3.21 Income taxes

Income tax expense represents the sum of the income tax currently payable and deferred income tax.

Current income tax for current and prior periods is recognised at the amount expected to be paid to or recovered from the tax authorities using the tax rates and tax laws that have been enacted or substantively enacted by the end of reporting period.

Deferred income tax is recognised for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets and liabilities are recognised on transactions that, on initial recognition, give rise to equal amounts of deductible and taxable temporary differences, arising from leases and decommissioning liabilities.

Deferred income tax is provided in full, using the liability method, on temporary differences at the statement of financial position between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax assets and liabilities are recognised for all temporary differences, except:

- Where the deferred tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction affects neither the accounting profit nor taxable profit or loss;
- In respect of temporary differences associated with investments in subsidiaries, where the timing of the reversal of the temporary differences can be controlled by the Group and it is probable that the temporary differences will not reverse in the foreseeable future; and
- In respect of deductible temporary differences and carry-forward of unutilised tax losses, if it is not probable
 that taxable profits will be available against which those deductible temporary differences and carry-forward of
 unutilised tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be utilised.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.21 Income taxes (Continued)

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

For the purposes of measuring deferred tax liabilities and deferred tax assets for investment properties that are measured using the fair value model, the carrying amounts of such properties are presumed to be recovered entirely through sale, unless the presumption is rebutted. The presumption is rebutted when the investment property is depreciable and is held within a business model whose objective is to consume substantially all of the economic benefit embodied in the investment property over time, rather than through sale. The carrying amounts of the Group's investment properties are presumed to be recovered entirely through sale.

Current and deferred income taxes are recognised as income or expense in the profit or loss, except to the extent that the tax arises from a business combination or a transaction which is recognised either in other comprehensive income or directly in equity. Deferred tax arising from a business combination is adjusted against goodwill on acquisition.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets and they relate to income taxes levied by the same tax authorities on the same taxable entity, or on different tax entities, provided they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

3.22 Related parties

A related party is defined as follows:

- (a) A person or a close member of that person's family is related to the Group and Company if that person:
 - (i) has control or joint control over the Company;
 - (ii) has significant influence over the Company; or
 - (iii) is a member of the key management personnel of the Group or Company or of a parent of the Company.
- (b) An entity is related to the Group and the Company if any of the following conditions applies:
 - (i) the entity and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others);
 - (ii) one entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member);
 - (iii) both entities are joint ventures of the same third party;
 - (iv) one entity is a joint venture of a third entity and the other entity is an associate of the third entity;

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.22 Related parties (Continued)

- (b) An entity is related to the Group and the Company if any of the following conditions applies: (Continued)
 - (v) the entity is a post-employment benefit plan for the benefit of employees of either the Company or an entity related to the Company. If the Company is itself such a plan, the sponsoring employers are also related to the Company;
 - (vi) the entity is controlled or jointly controlled by a person identified in (a);
 - (vii) a person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity); or
 - (viii) the entity, or any member of a group of which it is a part, provides key management personnel services to the reporting entity or to the parent of the reporting entity.

3.23 Employee benefits

Short-term employee benefits

Short-term benefit obligations, including accumulated compensated absences, are measured on an undiscounted basis and are expensed as the related service is provided. A provision is recognised for the amount expected to be paid under short-term cash bonuses if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided.

Long-term employee benefits

The Group's net obligation in respect of the other employee benefits other than pension plans is the amount of future benefits that employees have earned in return for their service in the current and prior periods. That benefit is discounted to determine its present value, and the fair value of any related assets is deducted. The discount rate is the yield at the reporting date on government bonds that have maturity dates approximating the terms of the Group's obligations. The calculation is performed using the projected unit credit method. Any gains and losses are recognised in the statement of comprehensive income in the period in which they arise.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution pension plans are recognised as an employee benefit expense in the statement of comprehensive income in the periods during which related services are rendered by employees.

Key management personnel

Key management personnel are those persons having the authority and responsibility for planning, directing and controlling the activities of the entity. Directors and certain key executive officers are considered key management personnel.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.24 Revenue recognition

Revenue is measured based on the consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties. Revenue is recognised when the Group satisfies a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service. A performance obligation may be satisfied at a point in time or over time. The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

Freight and logistics segment

The freight and logistics segment of the Group generates revenue principally by providing freight services and a range of logistics services, including warehousing services, transportation services, inventory management services and record management services.

Freight services

Freight services include air and sea custom clearance, documentation, cartage, handling, transfers and delivery of goods. Revenue from outbound freight forwarding is recognised upon departure of goods from port of disembarkation, while revenue from inward freight forwarding is recognised when goods arrive at port of arrival. Management expects that the amount of revenue recognised by these recognition points would approximate the amount of revenue to be recognised over time as services are performed.

Revenue is recognised based on the price specified in the contract, net of discounts and rebates. It is only recognised to the extent that it is highly probable that a significant reversal will not occur. Customers are required to pay for the services rendered within 60 days of receiving the invoice and delivery order or service report.

Logistics services

Logistics services refers to the provision of warehousing services, transportation services, inventory management services and record management services. For bundled packages, the Group accounts for the individual services as separate performance obligations as they are distinct, i.e. the service is separately identifiable from other items in the bundled package and a customer can benefit from it. The consideration receivable under the contract is allocated to the separate services in a bundle based on their relative stand-alone selling prices. The stand-alone selling prices are determined based on the Group's services price list. Revenue is recognised upon completion of the service which is expected to approximate revenue to be recognised over time, based on the time elapsed.

Warehousing services

Warehousing services refer to the provision of storage of the customer's products. Revenue is recognised over time as services are being transferred to the customer, based on the time elapsed. Services are billed in advance on a monthly basis.

Transportation services

Transportation services include local delivery of goods. Revenue is recognised upon completion of the service which is expected to approximate revenue to be recognised over time, based on the time elapsed, due to the short service period. Services are billed upon completion.

ANNUAL REPORT 2024

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.24 Revenue recognition (Continued)

Freight and logistics segment (Continued)

Inventory management services

Inventory management services include rendering of import clearance, documentation and trucking services for inbound shipment and performing inventory stock-take and other related services over a specified time period. Revenue is recognised when services are completed. Management expects this to approximate the amount of revenue to be recognised over time, based on the time elapsed. Services are billed on a monthly basis.

Record management services

Record management services include storage, collection and retrieval and disposal of documents over a specified time period. Revenue generated from providing document storage, collection and retrieval and disposal services is recognised over time as services are being transferred to the customer, based on the time elapsed. Services are billed on a monthly basis.

Financial services segment

The financial services segment of the Group principally generates revenue from dividend income and interest income.

Dividend income

Dividend income is recognised in the statement of comprehensive income on the date that the Group's right to receive payment is established, which in the case of quoted securities is usually the ex-dividend date.

Interest income

Interest income is recognised as it accrues in the statement of comprehensive income, using the effective interest method.

Real estate segment

The real estate segment of the Group principally generates revenue from the property management services.

Property management services

Property management services include maintenance, repair and upkeep of the facilities of the properties under management over a specified time period. Revenue is recognised over time as the services are transferred to the customer, based on the time elapsed. Property management fees are receivable monthly in advance.

Rental income

Rental income from investment properties is recognised on a straight-line basis, over the period of the lease. Lease incentives granted are recognised as an integral part of total rental income, over the term of the lease.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

3 MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

3.25 Conversion of foreign currencies

Transactions and balances

Transactions in a currency other than the functional currency ("foreign currency") are translated into the functional currency using the exchange rates at the dates of the transactions. Currency translation differences resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at the closing rates at the reporting date are recognised in the statement of comprehensive income. However, in the consolidated financial statements, currency translation differences arising from monetary items that are considered to form part of a net investment in foreign operations, are recognised in other comprehensive income and accumulated in the other reserves.

Foreign currency gains and losses are reported as either other income or other operating expense depending on whether foreign currency movements are in a gain or loss position.

Non-monetary items measured at fair values in foreign currencies are translated using the exchange rates at the date when the fair values are determined. Non-monetary items that are measured in terms of historical cost in foreign currency are translated using the exchange rates at the date of the transaction.

Group entities

The results and financial position of all the Group entities (none of which has the currency of a hyperinflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

- (i) Assets and liabilities are translated at the closing rates at the end of the reporting date;
- (ii) Income and expenses for each statement presenting profit or loss and other comprehensive income (i.e., including comparatives) shall be translated at the average exchange rates for the year; and
- (iii) All resulting currency translation differences are recognised in other comprehensive income and accumulated in translation reserve.

3.26 Earnings per share

The Group presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted-average number of ordinary shares outstanding during the year, adjusted for own shares held.

Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted-average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

3.27 Operating segments

An operating segment is a component of the Group that engages in business activities from which it may earn revenue and incur expenses, including revenue and expenses that relate to transactions with any of the Group's other components. Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker. The Chief Executive Officer has been identified as the Chief Operating Decision Maker who makes strategic resources allocation decisions and assesses segment performance.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

5 RIGHT-OF-USE ASSETS (CONTINUED)

As at 30 April 2024, the Group leases "motor vehicles, trucks and prime movers" with a carrying amount of \$0.89 million (2023 – \$1.1 million) under a number of hire purchase agreements.

The statement of comprehensive income included the following amounts relating to leases:

	30 April	30 April
The Group	2024 \$'000	2023 \$'000
Interest expense on lease liabilities (Note 21)	4,195	4,711
Rental of motor vehicles, trucks and prime movers and office equipment on short-term leases	1,388	1,188
Rental of offices, warehouses and leasehold buildings on short-term leases	794	430
Operating lease expenses (Note 22)	2,182	1,618

As at 30 April 2024, the Group's short-term lease commitments at the reporting date are not substantially dissimilar to those giving rise to the Group's short-term lease expense for the year.

Note A: Sale and leaseback of a warehouse complex

On 10 May 2019, the Group completed the sale and leaseback of No. 121 Banyan Drive Singapore 627570 (the "Property") to SGRE Banyan Pte. Ltd. ("SGRE") for a purchase consideration of \$227.5 million (the "Transaction"). Pursuant to the sale of the Property, the Group commenced a 10-year lease with SGRE.

Management assessed that the transfer of the Property to SGRE was a sale and purchase of an asset in accordance with SFRS(I) 15 since SGRE had obtained control over the Property. Accordingly, management derecognised the underlying Property and applied lessee accounting and recorded a right-of-use asset with a carrying amount of \$66.7 million at the retained portion of the previously carried amount with a corresponding lease liability of \$118.5 million. A gain of \$41.3 million relating to the rights transferred to SGRE was recognised in 'other income' in the consolidated statement of comprehensive income in the financial year ended 30 April 2020. The interest rate implicit in the lease was 4.93% per annum.

In addition, the Group has also placed a security deposit amounting to \$8.8 million (2023 – \$8.8 million) with an appointed institution as stipulated in the lease agreement. The deposit earns interest and is included in cash and bank balances as disclosed in Note 12.

The sale and leaseback arrangement enabled the Group to realise the fair value of its investment in the Property, while enabling the Group, through the leaseback arrangement, to enjoy the long-term use of the Property for its existing operations.

The Group is required to pay monthly rent ranging from \$1.3 million to \$1.5 million per month over a period of 10 years from May 2019. The Group is also entitled to six months rent-free periods each in the fifth and the tenth year of the rental period.

Since the inception of the lease, the Group has made lease payments totalling \$70.9 million (2023 - \$62.4 million) to SGRE.

There are no payments not included in the measurement of lease liabilities.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

6 INVESTMENT PROPERTIES

	30 April	30 April	
	2024	2023	
The Group	\$'000	\$'000	
At beginning of year	138,370	148,234	
Changes in fair value (Note 20)	329	419	
Translation differences	(4,653)	(10,283)	
At end of year	134,046	138,370	

Details of the Group's investment properties as at 30 April 2024 and 30 April 2023 are as follows:

Property name/Location	Description/ existing name	Approximate land area	Tenure	Group's effective interest
Palas Condominium, Kuala Lumpur, Malaysia	Condominium	6,383 m²	Freehold	100%
Changshu Fervent Industrial Park – Phases 1 and 2 PRC	6 warehouses and 1 office block	101,150 m²	50 years lease Commencing from March 2014	48%
Changshu Fervent Industrial Park – Phase 3, PRC	2 built-to-suit warehouses	76,553 m²	50 years lease Commencing from March 2017	48%

Investment properties comprise residential and industrial properties that are leased to external customers and/or held for capital appreciation. As at 30 April 2024, rental income from the Group's industrial properties which was leased under operating leases amounted to \$6.1 million (2023 – \$6.5 million) (See Note 19). There is no rental income from the residential property (2023 – Nil).

Direct operating expenses (including repairs and maintenance) arising from investment properties that generated rental income during the financial year, amounted to \$1.7 million (2023 – \$1.6 million).

Direct operating expenses (including repairs and maintenance) arising from investment properties that did not generate rental income during the financial year, amounted to \$0.1 million (2023 – \$0.1 million).

As at 30 April 2024 and 30 April 2023, the residential and industrial investment properties were located and held by subsidiaries incorporated in countries with capital restrictions, i.e. repatriation requirements in place.

In 2024 and 2023, there are no interest expense being capitalised in the cost of investment properties as the cost of borrowing.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

6 INVESTMENT PROPERTIES (CONTINUED)

Security

At 30 April 2024, an investment property of the Group with a carrying amount of \$91.9 million (2023 – \$93.9 million) was pledged to secure bank loans of a subsidiary as set out in Note 15.

Fair value hierarchy

The fair value measurement for all investment properties has been categorised as a Level 3 fair value based on the inputs to the valuation technique used (see Note 31).

7 SUBSIDIARIES

	30 April 2024	30 April 2023
The Company	\$'000	\$'000
Equity investments, at cost:		
- At the beginning and at the end of the year	33,612	33,612
Loans to a subsidiary (non-trade) (Note A)	29,900	29,900
	63,512	63,512
Accumulated impairment losses:		
- At the beginning and at the end of the year	(4,400)	(4,400)
	59,112	59,112

Note A:

The non-trade loans extended to a subsidiary are unsecured, non-interest bearing with repayment terms at the discretion of the subsidiary. As the amount is, in substance, a part of the Company's net investment in the subsidiary, it is considered to be part of the cost of investment, and is stated at cost, less impairment losses, if any.

Note B: Completion of transfer of shares in Saujana Tiasa Sdn Bhd ("STSB")

On 20 June 2022, the Company announced the completion of the share transfer of the remaining 50% equity interest in STSB from the then non-controlling interest Desa Tiasa Sdn Bhd ("DTSB") via the net set-off of loans and non-trade amounts with DTSB amounting to \$5.6 million, increasing its ownership from 50% to 100%. The effect on the equity attributable to owners of the Company arising from this transaction is summarised as follows:

	30 April 2023 \$'000
Deemed settlement with non-controlling interest	5,619
Consideration paid to non-controlling interest in the previous financial year	158
Consideration payable to non-controlling interest included in deferred consideration	316
Decrease in equity attributable to owners of the Company	6,093
Carrying amount of non-controlling interests acquired	(59)
Net amount recognised to "capital reserve"	6,034

Redeemable cumulative convertible preference shares (RCCPS) in an associate

Since 2020, the Group's investment in the RCCPS issued by China GSD Logistics Pte. Ltd. ("GSD") amounting to \$10.3 million has been fully impaired due to GSD defaulting on annual instalment repayments pursuant to a deed of settlement entered in FY2019. The RCCPS is measured at amortised costs and is convertible into 1 ordinary share in the capital of GSD, and the Group has not exercised its rights to convert the RCCPS and retains its rights to do so at the balance sheet date.

GSD is regarded as an associate of the Group as the Group has representation on the board of directors and has significant influence over the financial and operating policies of GSD. The results of GSD are not equity accounted as the Company does not hold equity interest in the associate as at the reporting date.

Investments in associates - The Group

The Group's and the Company's investments in associates are assessed for impairment at each reporting date. The Group and the Company evaluates, amongst other factors, the duration and extent to which the fair value of its investment in associates is less than its cost.

Changes in the financial health of and near-term business outlook for the investment, including factors such as industry and sector performance, technology and operational and financial cash flows, will impact the recoverable amount of its investment in associates.

Investment in associates - The Group (Continued)

Impairment assessment

Vibrant Pucheng Logistics (Chongging) Co., Ltd

Vibrant Pucheng is the legal owner of a multi-modal logistics distribution centre (the "Property") in Chongqing, People's Republic of China ("PRC"). In April 2022, a contractor of Vibrant Pucheng has applied to the PRC's court to enforce its rights against the Property. In order to protect the Group's assets and legal position, the Group, together with another Singapore incorporated corporate shareholder, have similarly initiated legal proceedings against Vibrant Pucheng during the current financial year. In October 2023, the PRC court's appointed valuer appraised the Property to be RMB407.4 million, comprising (i) land-use rights of RMB235.2 million and (ii) construction work-in-progress of RMB172.2 million.

As at 30 April 2024, impairment indicators continue to exist in respect of the Group's and the Company's investment in Vibrant Pucheng in accordance with SFRS(I) 1-36 – *Impairment of Assets*. Management determined the recoverable amount of its investment in Vibrant Pucheng to be \$1.0 million based on its Residual Net Assets Value ("RNAV") as at 30 April 2024.

Accordingly, the Group and the Company recognised reversal of impairment losses on Vibrant Pucheng of \$1.4 million and \$0.2 million (2023 – recognised impairment losses of \$4.2 million and \$7.5 million), respectively, in the financial statements based on recoverable amount of Vibrant Pucheng's adjusted net assets value. The fair value has been categorised as a Level 3 fair value hierarchy.

Figtree Holdings Limited ("Figtree")

Management recorded a reversal of impairment loss of \$1.0 million (2023 – impairment loss of \$1.2 million) on its investment in another associate in the consolidated statement of comprehensive income although this associate suffered further operating losses during the current financial year. Management has estimated the recoverable amount of the associate for which the estimated recoverable amount was based on fair value less cost of disposal determined by reference to the associate's stock exchange quoted bid price as at 30 April 2024 (2023 – 30 April 2023).

Other associates

In 2023, the Group reversed impairment loss of \$0.4 million on the investment made in another associate following the receipt of capital of RMB2.3 million (equivalent to \$0.4 million). The Group had made full impairment on the investment in FY2020.

Contribution during the year

During the year, the Company made additional investment of \$2.4 million into its 40% owned associate – Vibrant Equities Pte. Ltd. ("Vibrant Equities"), to fund its share of subscription in the capital of Hiap Seng Industries Limited ("Hiap Seng"), a company listed on the SGX-ST, pursuant to a debt restructuring exercise. Pursuant to the completion of the debt restructuring exercise in February 2024, Hiap Seng allotted and issued 1.1 billion shares and granted 1.1 billion share options to Vibrant Equities. As at 30 April 2024, the Group's effective interest in Hiap Seng, held through Vibrant Equity, was 13.1%. Although the Group owns less than 20% of the ownership interest and voting rights in Hiap Seng, management is of the view that the Group has significant influence over Hiap Seng because the Group has board representation in Hiap Seng. As at 30 April 2024, Vibrant Equities is not considered to be significant associate of the Group.

Investment properties	(8,006)	(105)	601	(7,510)
Property, plant and equipment	(3,985)	145	_	(3,840)
Right-of-use assets	(2,151)	(8,130)		(10,281)
Deferred tax liabilities	(14,192)	(8,133)	606	(21,719)
Net amount	(10,773)	(152)	547	(10,378)

The amounts determined after appropriate offsetting are included in the statements of financial position as follows:

	30 April 2024	30 April 2023
The Group	\$'000	\$'000
Deferred tax assets	82	859
Deferred tax liabilities	(10,024)	(11,237)
	(9,942)	(10,378)

Deferred tax assets have not been recognised in respect of the following items:

	30 April	30 April
	2024	2023
The Group	\$'000	\$'000
Deductible temporary differences	7,091	5,155
Tax losses	13,013	11,664
	20,104	16,819

The comparatives have been changed to reflect the revised temporary differences and unutilised losses after the relevant tax authorities have finalised the tax status of certain open years of assessment for certain entities within the group.

The tax losses are subject to agreement by the tax authorities and compliance with tax regulations in the respective countries in which certain subsidiaries operate. The deductible temporary differences and tax losses do not expire under current tax legislation. Deferred tax assets have not been recognised in respect of these items in accordance with the accounting policy stated in Note 3.21.

(a) Loans to subsidiaries

As at 30 April 2024, loans to subsidiaries are unsecured and are summarised as follows:

	30 April	30 April
	2024	2023
The Company	\$'000	\$'000
Loans to subsidiaries:		
- Interest-free loans	130,757	131,345
- Interest-bearing loans	28,909	27,712
	159,666	159,057
Interest-bearing loans to subsidiaries:		
- Fixed	5,100	2,250
- Floating	23,809	25,462
	28,909	27,712
Loans to subsidiaries:		
- Non-current	154,566	156,807
- Current	5,100	2,250
	159,666	159,057

Interest-free loans

The loans of \$130.8 million (2023 – \$131.3 million) will not be repaid within the next twelve months from the reporting date.

Interest-bearing loans

The loans comprise:

- (i) As at 30 April 2024, loans of \$5.1 million (2023 \$2.3 million) bearing fixed interest between 7.07% to 7.13% (2023: 6.80%) per annum are repayable on demand.
- (ii) Loans of \$23.8 million (2023 \$25.5 million) bearing interest at 1.00% (2023 1.00% above market swap rate determined at the beginning of each month) above Singapore overnight rate average determined at the last available rate of the month on the net receivables have no fixed terms of repayment and will not be repaid within the next twelve months from the reporting date. As at the reporting date, the average effective interest rate for the floating rate loans was 4.675% (2023 3.92%) per annum.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

11 TRADE AND OTHER RECEIVABLES (CONTINUED)

(b) Loans to associates

As at 30 April 2024, the unsecured loans extended to associates of \$24.0 million (2023 – \$24.1 million) comprise the following:

- (i) Loans to Vibrant Pucheng bearing fixed interest at 6% per annum amounting to \$18.4 million (equivalent to RMB98.3 million) (2023 \$19.0 million (equivalent to RMB 98.3 million)) comprising a loan of \$17.5 million equivalent to RMB93.3 million (2023 \$18.0 million equivalent to RMB93.3 million) which is repayable at the end of a 10-year tenure; and a loan of \$0.9 million, equivalent to RMB5.0 million (2023 \$1.0 million, equivalent to RMB5.0 million) which is repayable on demand, respectively.
 - At the reporting date, the Group's interest receivable on the loans amounted to \$8.8 million, equivalent to RMB46.8 million (2023 \$7.9 million, equivalent to RMB40.8 million) which are included in "non-trade amounts due from associates".
- (ii) Loans of \$5.5 million (2023 \$5.1 million) extended to another associate are repayable on demand and bear interest at 1.70% over compounded SORA reference rate determined on the day of transaction on the net receivables. As at the reporting date, the effective interest rate at reporting date was 5.36% (2023 4.28%) per annum.
- (c) The non-trade amounts comprising advances due from subsidiaries are unsecured, interest-free and are not expected to be repaid within the next twelve months from the reporting date.
- (d) As at 30 April 2024, the loans extended to third parties are repayable on demand, comprising a loan of \$4.5 million (2023 \$4.6 million) secured by a third party guarantee and bearing fixed interest at 10.00% (2023 10.00%) per annum; an unsecured loan of \$1.5 million (2023 \$1.5 million) bearing fixed interest at 9.60% (2023 9.60%) per annum; and an unsecured, interest-free loan of \$4.0 million (2023 \$4.1 million). As at 30 April 2024 and 2023, the loans have been fully impaired.
- (e) As at 30 April 2024, the loans extended to related parties comprised a loan of \$0.7 million (2023 \$1.4 million) bearing fixed interest at 6.00% (2023 6.00%) per annum; and loans of \$5.1 million (2023 \$2.3 million) bearing fixed interest between 7.07% to 7.13% (2023 6.80%) per annum, secured over share charge and is repayable on demand.
- (f) Non-trade amounts comprising advances and loan interest receivables due from associates, non-controlling interests and related parties are unsecured, interest-free, and are repayable on demand.

The Group and the Company's exposure to credit and currency risks, and impairment losses for trade and other receivables, are disclosed in Note 30.

Capital reserve	7,475	7,475	-	_
Foreign currency translation reserve	(4,872)	(2,573)	-	_
Other reserves	(91)	22	-	_
Retained earnings	47,535	47,620	13,313	41,400
	47,516	50,260	10,782	39,116

The treasury shares reserve comprises the cost of the Company's shares held by the Group. On 30 April 2024, the Group held 13,724,260 (2023 – 9,243,960) of the Company's shares.

Capital reserve arises from the effects on the acquisition of non-controlling interests without a change in control, which represented the difference between the amounts by which the non-controlling interests are adjusted; and the fair value of the consideration paid, attributable to owners of the Company.

The foreign currency translation reserve comprises foreign exchange differences arising from the translation of the financial statements of foreign operations.

Other reserves mainly comprise the Group's share of associate's reserves.

Capital management

The Board defines capital to include share capital, retained earnings and other reserves. The Board's policy is to maintain a sound capital base so as to sustain the future development and expansion of the Group's business in order to maintain investor and creditor confidence in the Group. The Board of Directors monitors the level of dividend payment taking into consideration the Group's business expansion requirements.

The Group monitors capital on the basis of the net debt-to-equity ratio. This ratio is calculated as total borrowings, net of cash and bank balances, divided by total shareholders' equity excluding non-controlling interests. The Group's strategy is to maintain a net debt-to-equity ratio of under 1.5. There were no changes in the Group's approach to capital management during the year.

The Group	30 April 2024 \$'000	30 April 2023 \$'000

ANNUAL REPORT 2024

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

17 TRADE AND OTHER PAYABLES (CONTINUED)

(a) Loans from subsidiaries

As at 30 April 2024, the loans from subsidiaries are unsecured and summarised as follows:

	30 April	30 April
	2024	2023
The Company	\$'000	\$'000
Loans from subsidiaries:		
Interest-free loans	217	510
Interest-bearing loans	36,052	36,550
	36,269	37,060
Presented as:		
Non-current	28,404	31,195
Current	7,865	5,865
	36,269	37,060

Interest-free loans

The loans of \$0.2 million (2023 – \$0.5 million) will not be repaid within the next twelve months from the reporting date.

Interest-bearing loans

The loans comprise,

- (i) Loans of \$30.1 million (2023 \$32.6 million) bearing fixed interest at 2.00% to 6.00% (2023 2.00% to 6.00%), of which \$27.2 million (2023 \$29.7 million) will not be repaid within the next twelve months from the reporting date, and the remaining loan of \$2.9 million (2023 \$2.9 million) is repayable on demand.
- (ii) Loans of \$1.0 million (2023 \$1.0 million) bearing interest at 1.00% (2023 1.00% above market swap rate determined at the beginning of each month) above Singapore overnight rate average determined at the last available rate of the month on the net payables will not be repaid within the next twelve months from the reporting date.
- (iii) Loans of \$3.0 million (2023 \$3.0 million) bear interest at 1.50% (2023 1.50%) over bank's cost of funds, which are repayable on demand.
- (iv) Loans of \$2.0 million (2023 Nil) bear interest at 2.00% (2023 Nil) over bank's cost of funds, which are repayable on demand.
- (b) As at 30 April 2024, the non-current loan from a related party of \$17.5 million equivalent to RMB93.3 million (2023 \$18.0 million equivalent to RMB93.3 million) was unsecured and bore interest at 6.00% per annum and is repayable by June 2029.
- (c) Non-trade amounts comprising advances and loan interest due to subsidiaries are unsecured, interest-free with no fixed terms of repayment and will not be repaid within the next twelve months from the reporting date.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

17 TRADE AND OTHER PAYABLES (CONTINUED)

- (d) Long-term employee benefits are payable to certain directors or employees upon their retirement.
- (e) As at 30 April 2024, the deferred consideration payable arose from the Group's FY2020 acquisition of the remaining 49% equity interests in Shentoncil amounting to \$4.0 million (2023 \$4.0 million). The deferred consideration payable arising from the acquisition of the remaining 50% equity interest in STSB of \$0.3 million as at 30 April 2023 was fully settled during the current financial year.
- (f) As at 30 April 2024, the loans from non-controlling interests of \$8.7 million (2023 \$8.6 million) are unsecured, interest-free and expected to be repaid within the next twelve months.
- (g) As at 30 April 2024, the loan from a related party of \$0.3 million (2023 \$0.3 million) is unsecured, repayable on demand and interest-free.
- (h) Non-trade amounts comprising advances and loan interests due to related parties and associates are unsecured, interest-free and repayable on demand.

18 PROVISIONS

	30 April	30 April
	2024	2023
The Group	\$'000	\$'000
Site restoration		
At beginning of year	2,020	1,881
Provision reclassified from held-for-sale	_	124
Provision made during the year	_	(37)
Unwinding of discount for site restoration (Note 21)	54	52
At end of the year	2,074	2,020
Provisions due:		
- within 1 year	104	104
- after 5 years	1,970	1,916
	2,074	2,020

Site restoration

Site restoration relates to cost of dismantling and removing assets and restoring the premises to its original condition as stipulated in the operating lease agreements. The Group expects to incur the liability upon termination of the leases. The provisions are measured at the best estimate of the expenditure required and timing of outflows, to settle the obligation at the end of each reporting period.

- Origination and reversal of temporary differences	(229)	152
	1,956	1,897

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

23 TAXATION (CONTINUED)

Singapore income tax is calculated at 17% (2023 – 17%) of the estimated assessable profit or loss for the year. Taxation for other jurisdictions is calculated at the prevailing corporate tax rates in the relevant jurisdictions.

The applicable tax rate used in the reconciliation between the Group's tax expense and accounting profit is the Singapore statutory tax rate based on the jurisdiction where the Company and most group entities are established.

The tax expense on the results of the financial year varies from the amount of income tax determined by applying the Singapore statutory rate of income tax on the accounting profit as a result of the following:

The Group	2024 \$'000	2023 \$'000
Profit before taxation	3,679	2,479
Impairment loss (reversed)/recognised on investment in associates	(2,455)	2,598
Share of loss of associates, net of tax	1,681	2,278
Profit before share of profits of associates and		
impairment loss on investments in associates	2,905	7,355
Tax calculated using Singapore tax rate of 17% (2023 – 17%)	494	1,250
Effect of tax rates in foreign jurisdictions	22	(86)
Non-deductible expenses	2,797	2,713
Tax exempt income	(1,018)	(118)
Utilisation of deferred tax assets previously not recognised (net)	-	(147)
Deferred tax assets not recognised	558	_
Overprovision in respect of prior years	(988)	(1,837)
Others	91	122
	1,956	1,897

Non-deductible expenses mainly comprise of foreign exchange losses on loans and borrowings, fair value loss on financial instruments at FVTPL and depreciation expense in FY2024.

Tax exempt income relates mainly to dividend income, fair value gain on investment properties and impairment loss reversed on investment in associates and trade and other receivables in FY2024.

24 EARNINGS PER SHARE

The Group	2024	2023
Profit for the year attributable to owners of the Company (\$'000)	600	175
Number of ordinary shares in issue ('000) Effect of own shares held ('000)	697,952 (9,526)	697,952 (5,946)
Number of ordinary shares in issue (excluding own shares held)* ('000)	688,426	692,006
Diluted earnings per share is based on: Net profit attributable to ordinary shareholders (\$'000)	600	175

^{*} For the purpose of calculating the diluted earnings per ordinary share, the weighted average number of ordinary shares in issue is not adjusted to take into account the dilutive effect arising from the dilutive potential ordinary shares weighted for the period outstanding, as there were no dilutive potential ordinary shares during the year.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

25 OPERATING SEGMENTS

The Group has three reportable segments, as described below, which are the Group's strategic business units. The strategic business units offer different services and are managed separately because they require different marketing strategies. For each of the strategic business units, the Group's Chief Executive Officer (the chief operating decision maker) reviews internal management reports regularly.

The following describes the operations in each of the Group's reportable segments:

- Freight and logistics business: provision of international freight forwarding services, distribution, storage and warehousing services, records management, document storage, provision of chemical logistics, transportation and warehousing activities.
- Financial services: financial leasing services and investment holdings.
- Real estate business: property development, construction services and property investment.

Information regarding the results of each reportable segment is included below. Performance is measured based on segment profit before income tax, as included in the internal management reports that are reviewed by the Group CEO. Segment profit is used to measure performance as management believes that such information is the most relevant in evaluating the results of certain segments relative to other entities that operate within these industries.

Inter-segment pricing is determined on mutually agreed terms.

Segment results, assets and liabilities include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Unallocated items mainly comprise investments and related revenue, loans and borrowings, notes payables and expenses, current and deferred taxes, corporate assets and head office expenses.

Segment capital expenditure is the total cost incurred during the year to acquire property, plant and equipment, new leases, intangible assets other than goodwill and investment properties.

Geographical segments

The freight and logistics, financial services and real estate business segments are managed on a worldwide basis but operate in eight principal geographical areas.

In presenting information on the basis of geographical segments, segment revenue is based on the geographical location of customers. Segment assets are based on the geographical location of the assets.

26 COMMITMENTS

Capital commitments

	2024	2023
The Group	\$'000	\$'000
Expenditure contracted for property, plant and equipment	10	143

Operating lease commitments

Where the Group is a lessee

The Group leases a number of leasehold properties from the Jurong Town Corporation, a warehouse premise and motor vehicles, trucks and prime movers under operating leases. The leases typically run for an initial period of 1 to 60 years, with an option to renew the lease after that date. Lease payments are usually increased annually to reflect market rentals. There are no externally imposed covenants in these properties and assets lease arrangements.

The Group had adopted SFRS(I) 16 on 1 May 2019. These operating lease commitments had been recognised as right-of-use assets and lease liabilities on the statement of financial position as at 1 May 2019, except for short-term and low value assets. Certain of the lease arrangements provide for optional extension periods, for which the related lease payments have not been included in the lease liabilities because the Group is not reasonably certain to exercise these lease extension options. The resultant lease payments that have not been included are not material. The Group negotiates extension options to optimise operational flexibility in terms of managing the assets used in the Group's operations.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

26 COMMITMENTS (CONTINUED)

Operating lease commitments (Continued)

Where the Group is the lessor

The Group leases out its investment properties to third parties. The leases run for a period of 1 to 10 years, with an option to renew the lease after that date. There are also no contingent rental arrangements and fixed rental escalation clauses.

At 30 April 2024, the future minimum lease receivable under non-cancellable operating leases contracted at the reporting date are as follows:

The Group	2024 \$'000	2023 \$'000
Undiscounted lease payment to be received		
- year 1	12,365	11,810
- year 2	8,623	9,196
- year 3	4,443	6,875
- year 4	2,428	3,143
year 5	1,191	2,126
- year 6 and onwards	163	990
	29,213	34,140

27 CONTINGENT LIABILITIES (UNSECURED)

Intra-group financial guarantees comprise corporate guarantees amounting to \$29.2 million (2023 – \$34.9 million) granted by the Company to banks in respect of banking facilities to secure banking facilities provided to certain subsidiaries. The financial guarantees will expire when the loans have been paid and discharged and/or when the banking facilities are no longer available to the subsidiaries. These financial guarantee contracts are accounted for under SFRS(I) 9.

The periods in which the financial guarantees expire are as follows:

The Company	2024 \$'000	2023 \$'000
Not later than one year	28,639	16,708
Later than one year but not later than five years	527	18,147
	29,166	34,855

As at 30 April 2024, the Company has extended \$49.9 million (2023 – \$48.5 million) and RMB29 million equivalent to \$5.5 million (2023 – RMB29 million equivalent to \$5.6 million) of corporate guarantee to its associates, Ececil Pte. Ltd. and Vibrant Pucheng Logistics (Chongqing) Co., Ltd, respectively.

The principal risk to which the Company is exposed is credit risk in connection with the guarantee contracts it has issued. The credit risk represents the loss that would be recognised upon a default by the subsidiaries or associates on behalf of which the guarantees were given.

To mitigate this risk, the Company continually monitors the risks and has established processes including performing evaluation of the subsidiaries and associates' profitability that it is providing guarantee on behalf of.

There are no terms and conditions attached to the guarantee contracts that would have a material effect on the amount, timing and uncertainty of the Company's future cash flows and the Company only issue guarantees to its subsidiaries and associates.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

27 CONTINGENT LIABILITIES (UNSECURED) (CONTINUED)

The intra-group financial guarantees for subsidiaries are eliminated in preparing the consolidated financial statements. Estimates of the Company's obligation arising from financial guarantee contracts may be affected by future events, which cannot be predicted with any certainty. The assumptions made may well vary from actual experience so that the actual liability may vary considerably from the best estimates.

In FY2024, the Company has undertaken to provide financial support to certain of its subsidiaries and an associate for the next twelve months. The net current liabilities or net liabilities of these entities as at 30 April 2024 amounted to \$297.6 million and \$36.8 million (2023 – \$282.9 million and \$33.4 million), respectively.

28 CONTINGENCIES

(A) Blackgold International Holdings Pty Ltd & its subsidiaries ("Blackgold Group")

On 30 October 2020, the Company announced that pursuant to the findings made by the special auditors of the Company of various irregularities within the accounts of certain subsidiaries of Blackgold Group and after consultation with the legal advisors in Singapore and in the PRC, management has lodged police reports in Singapore and in the PRC and commenced civil suits against the relevant personnel of the Blackgold Group in the High Court of Singapore.

The Group has also commenced civil suits against Blackgold Group's former auditor in Australia and the legal fees associated with this litigation will be largely funded by a litigation funder in Australia.

(B) <u>Vibrant Pucheng Logistics (Chongqing) Co., Ltd ("Vibrant Pucheng")</u>

Receipt of legal proceedings by an associate

As announced on 25 February 2022, 4 May 2022 and 27 December 2022 in relation to the legal proceedings commenced by a contractor (the "Plaintiff") against Vibrant Pucheng, Vibrant Pucheng was, on 28 April 2022, served with a judgement from the People's Republic of China Court (the "Court") dated 14 April 2022. Pursuant to the judgment, the Court had ordered that:

- 1. The agreement entered into between the Plaintiff and Vibrant Pucheng on 2 August 2019 in relation to the construction of the Multi-Modal Logistic Distribution Centre (the "Project") located in Chongqing, People's Republic of China be terminated;
- Vibrant Pucheng be required to pay the Plaintiff the amount owed to the Plaintiff, being the sum of (i) RMB59,385,282 (the "Contract Liability") and (ii) interest accrued on such principal amount to be calculated based on the People's Republic of China Bank Lending Rate from 12 November 2021 up to the date the Contract Liability is repaid, within 10 days from the effective date of judgement;
- In the event the Project is disposed of at a discount or pursuant to an auction for a price not exceeding the Contract Liability, the Plaintiff shall have priority in receiving any compensation;
- 4. All other claims made by the Plaintiff were rejected; and
- 5. Vibrant Pucheng be required to pay court fees and property preservation fees amounting to RMB354,323.

ANNUAL REPORT 2024

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

28 CONTINGENCIES (CONTINUED)

(B) <u>Vibrant Pucheng Logistics (Chongqing) Co., Ltd ("Vibrant Pucheng")</u> (Continued)

Receipt of legal proceedings by an associate (Continued)

On 24 April 2023, the Company announced that Vibrant Pucheng had received a hearing notice from the Court relating to legal proceedings commenced by Figtree Projects (Shanghai) Co., Ltd ("Figtree Projects") against Vibrant Pucheng in connection with a loan granted by Figtree Projects, whereby Vibrant Pucheng had failed to make repayments of RMB67,134,799 comprising principal of RMB61,168,572 and interest of RMB5,966,227 calculated at 6% per annum up to 10 January 2023.

On 28 April 2023, the Company announced that through a court-assisted mediation process, Vibrant Pucheng will be required to repay Figtree Projects an Aggregate Repayment Amount of RMB67,323,536 through a RMB5 million by 30 April 2023 and subsequent monthly payments of RMB10 million until the amount has been repaid in full, and Figtree Projects shall have the right to enforce its rights against Vibrant Pucheng and to demand for immediate repayment of the Aggregate Repayment Amount. At the date of this report, Vibrant Pucheng is in default.

On 19 May 2023, the Company further announced that the contractor has applied to the Court to enforce its rights against Vibrant Pucheng's immovable property due to its failure to comply with the terms of the previous court order.

Legal proceedings against an associate

In connection to the above, to protect the assets and legal position of the Group, the Company announced on 18 January 2023, that the Group's subsidiaries, namely New Vibrant (Jiangsu) Supply Chain Management Co., Ltd, Sinolink Financial Leasing Co., Ltd and Vibrant Development (Changshu) Co., Ltd have commenced legal proceedings against Vibrant Pucheng to recover the outstanding loans and interest extended to Vibrant Pucheng. On 1 August 2023, the Court has accepted the loan dispute case filed by New Vibrant (Jiangsu) Supply Chain Management Co., Ltd, Sinolink Financial Leasing Co., Ltd, and Vibrant Development (Changshu) Co., Ltd. The loan principal involved in the case amounts to RMB5 million. The net carrying amount of the Group's interests in and loans to Vibrant Pucheng after accounting for impairment losses, amounted to \$1.0 million (FY2023 – \$0.8 million) and \$27.2 million (FY2023 – \$26.8 million), respectively.

In the event the Group does not succeed in the above claims, or the Group succeeds in the claims but does not recover the full amounts owed by Vibrant Pucheng, there may be a material impact on the financial performance of the Group for the financial year ending 30 April 2024.

Notwithstanding the above, management assessed that the carrying amount of the Group's interest in the associate and the related loans are recoverable based on the valuation of the property held by Vibrant Pucheng.

29 SIGNIFICANT RELATED PARTY TRANSACTIONS

In addition to the related party information disclosed elsewhere in the financial statements, the following are transactions with related parties made at terms agreed between the parties:

30 FINANCIAL RISK MANAGEMENT

The Group's and the Company's financial risk management policies set out the overall business strategies and risk management philosophy. The Group and the Company are exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include credit risk, liquidity risk, interest rate risk, foreign currency risk and market price risk. The Group's and the Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise adverse effects from the unpredictability of financial markets on the Group's and the Company's financial performance.

There has been no change to the Group's and the Company's exposure to these financial risks or the manner in which it manages and measures the risk. Market risk exposures are measured using sensitivity analysis indicated below.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

30 FINANCIAL RISK MANAGEMENT (CONTINUED)

Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the Group or the Company to incur a financial loss. The Group's and the Company's exposure to credit risk arises primarily from trade and other receivables.

Trade and other receivables

The Group's primary exposure to credit risk arises through its trade and other receivables. Concentration of credit risk relating to trade receivables is limited due to the Group's many varied customers. These customers are internationally dispersed and sell in a variety of end markets. The Group's historical experience in the collection of trade and other receivables falls within the recorded allowances. Due to these factors, management believes that no additional credit risk beyond the amounts provided for collection losses is inherent in the Group's trade and other receivables.

Impairment losses on financial assets as disclosed in Note 11 recognised in the statement of comprehensive income for the financial year ended 30 April 2024 were as follows:

	The G	roup	The Company		
	2024	2023	2024	2023	
The Group	\$'000	\$'000	\$'000	\$'000	
At the beginning of year	35,497	39,628	23,005	23,374	
Impairment loss recognised	123	2,818	23,748	144	
Reversal of impairment loss	(524)	(563)	(197)	(521)	
Impairment loss (reversed)/recognised, net	(401)	2,255	23,551	(377)	
Impairment loss utilised:					
 Acquisition of non-controlling interest 	-	(2,364)	_	_	
- Others	(1,193)	(1,594)	_	_	
Translation differences	(843)	(2,428)		8	
At the end of year	33,060	35,497	46,556	23,005	
Represented by:					
Trade and other receivables (Note 11)	33,060	35,497	46,556	23,005	

The Group does not have trade and other receivables for which no loss allowance is recognised because of collateral.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

30 FINANCIAL RISK MANAGEMENT (CONTINUED)

Credit risk (Continued)

Expected credit loss assessment for receivables with credit ratings (or equivalent) as at 30 April 2024

The Group allocates exposure from loans to associates, non-controlling interests, a related party and third parties to a credit risk grade based on data that is determined to be indicative of the risk of loss (including but not limited to external ratings if available, audited financial statements, management accounts and cash flow projections and available press information about customers) and applying experienced credit judgement. Credit risk grades are defined using qualitative and quantitative factors that are indicative of the risk of default and are aligned to external credit rating definitions from agencies such as Standards and Poor's.

An ECL rate is calculated for each receivable based on probabilities of default and loss given default. 12-month and lifetime probabilities of default are based on historical data supplied by Standard and Poor's and Moody's for each credit rating. The Group monitors changes in credit risk by tracking published external credit ratings and taking into consideration forward-looking information based on industry forecast in the countries of operation.

The following table provides information about the exposure to credit risk and ECLs for receivables with credit ratings (or equivalent):

Table A

	Weighted average loss rate	Not credit impaired – 12-month ECL \$'000	Credit impaired – lifetime ECL \$'000	Gross carrying amount \$'000	Total loss allowance \$'000	Net \$'000

30 FINANCIAL RISK MANAGEMENT (CONTINUED)

Credit risk (Continued)

Expected credit loss assessment for trade receivables

The Group uses an allowance matrix to measure the ECLs of trade receivables from individual customers, which comprise a very large number of small balances.

Loss rates are calculated using a 'roll rate' method based on the probability of a receivable progressing through successive stages of delinquency to write-off. Roll rates are calculated separately for exposures in different segments based on the following common credit risk characteristics – respective ageing categories based on two years historical data. The Group has assessed that the impact of forward-looking factors based on industry forecast in the countries of operation are not material.

The following table provides information about the exposure to credit risk and ECLs for trade receivables with no representative credit rating:

Table B

The Group	Weighted average loss rate %	Gross carrying amount \$'000	Loss allowance \$'000	Credit impaired
At 30 April 2024			40)

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

30 FINANCIAL RISK MANAGEMENT (CONTINUED)

Credit risk (Continued)

Non-trade amounts due from non-controlling interests

For non-trade amounts due from non-controlling interests of \$0.3 million (2023 – \$0.3 million), the Group has considered qualitative and quantitative factors that are indicative of the risk of default. This includes factors such as dividends to be paid out of the accumulated profits of the subsidiaries. Accordingly, impairment on the remaining balances has been measured on the 12-month expected credit loss basis and the amount of the allowance on these balances, after considering forward-looking information, is insignificant.

Loans and related interest receivables owing by Vibrant Pucheng

Management has considered the inherent uncertainties on the recoverability of the loans and related interest receivable owing by Vibrant Pucheng of \$18.4 million and \$8.8 million (2023 – \$19.0 million and \$7.9 million) respectively, as disclosed in Note 11(b)(i), in respect of the ongoing legal proceedings as disclosed in Note 28 and concluded that Vibrant Pucheng will have sufficient liquid assets from the disposal of the Property to repay the shareholders' loan and accrued interest owing to the Group and other shareholders, as well as to settle the legal claim owing to the contractor and other liabilities as at the reporting date. Accordingly, management has determined that expected credit loss on the carrying amounts of the loan and accrued interest is \$Nil as at the balance sheet date.

Other receivables, including interest receivable, loans to associates and non-trade amounts due from related parties, non-controlling interest and associates

For other receivables, impairment assessment on the loan extended to an associate and non-trade amounts due from related parties, non-controlling interest, third parties and associates of \$27.9 million (2023 – \$25.4 million) were based on an assessment of qualitative and quantitative factors that are indicative of the risk of default (including but not limited to external ratings, audited financial statements, management accounts and cash flow projections, and available press information, if available, and applying experienced credit judgement).

Guarantees

The Group's policy is to provide financial guarantees to all its subsidiaries' liabilities. At 30 April 2024, the Company has issued a guarantee to certain banks in respect of credit facilities granted to its subsidiaries (see Note 27).

Cash and bank balances

The Group and the Company held cash and bank balances as disclosed in Note 12 to the financial statements. The cash and bank balances are held with bank and financial institution counterparties which are rated Ba3 to Aa1, based on Moody's ratings.

Impairment on cash and bank balances has been measured on the 12-month expected loss basis and reflects the short maturities of the exposures. The Company considers that its cash and bank balances have low credit risk based on the external credit ratings of the counterparties. The amount of the allowance on cash and bank balances is negligible.

Fair value of collaterals

At 30 April 2024, the fair value of shares accepted as collaterals that the Group is permitted to sell or repledge in the event of default by the Group's debtors was \$18.4 million (2023 – \$12.0 million). The fair values are determined based on the respective net assets in the latest available audited financial information. If the receivables are not paid in full by the debtors 30 days after the receipt of a demand by the Group, the Group may exercise the powers and rights of a mortgagee conferred by statute or otherwise sell or dispose of the collateral.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

30 FINANCIAL RISK MANAGEMENT (CONTINUED)

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Group's and the Company's financial instruments will fluctuate because of changes in market interest rates.

The Group's exposure to market risk for changes in interest rates relates primarily to the Group's debt obligations. The Group's policy is to manage interest cost by using a mix of fixed and variable rate debts.

Profile

At the reporting date, the interest rate profile of the interest-bearing financial instruments, as reported to the management, was as follows:

		2024		2023		
	Note	Fixed rate \$'000	Variable rate \$'000	Fixed rate \$'000	Variable rate \$'000	
The Group						
Restricted fixed deposits		80	-	84	_	
Trade receivables	11	10,226	_	11,002	_	
Loan to an associate	11(b)(i)(ii)	18,488	5,474	18,980	5,074	
Loans to related parties	11(e)	5,758	-	3,698	_	
Loans to third parties	11(d)	6,016	-	6,176	_	
Deposits with banks	12	24,470	-	22,450	_	
Bank loans	15	(43,554)	(33,985)	(52,395)	(37,309)	
Lease liabilities	16	(88,387)	-	(97,082)	_	
Loans from a related party	17(b)	(17,548)		(18,015)		
		(84,451)	(28,511)	(105,102)	(32,235)	
The Company						
Loans to subsidiaries	11(a)(i)(ii)	5,100	23,809	2,250	25,462	
Bank loans	15	(16,800)	-	(19,300)	_	
Loan from subsidiaries	17(a)(i)(ii)(iii)	(30,061)	(5,992)	(32,561)	(3,989)	
		(41,761)	17,817	(49,611)	21,473	

Fair value sensitivity analysis for fixed rate instruments

Fixed rate instruments that are not designated at fair value through profit or loss, are recorded at amortised cost. A change in interest rate would not have any impact on fair value.

Cash flow sensitivity for variable rate instruments

For variable rate financial assets and liabilities, an increase of 100 bp in interest rate at the reporting date would (decrease)/increase profit after tax by the amounts shown. A decrease of 100 bp in interest rate would have an equal but opposite effect. This analysis assumes that all other variables, in particular foreign currency rates, remain constant.

	The Group		The Company	
	2024 2023		2024	2023
	\$'000	\$'000	\$'000	\$'000
Profit before tax				
Variable rate instruments	(237)	(268)	148	178

There is no impact on equity.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

30 FINANCIAL RISK MANAGEMENT (CONTINUED)

Currency risk

Currency risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. Currency risk arises when transactions are denominated in foreign currencies. The summary of quantitative data about the Group's and the Company's exposures to foreign currency risk as reported to the management of the Group is as follows:

	The Group		The Company	
	2024	2023	2024	2023
	\$'000	\$'000	\$'000	\$'000
USD				
Other investments	7,785	16,037	7,785	16,037
Trade and other receivables	5,744	4,905	-	_
Cash and bank balances	16,004	18,391	2,151	663
Trade and other payables	(9,953)	(9,996)		(38)
Net exposure	19,580	29,337	9,936	16,662

Sensitivity analysis

A 10% strengthening of Singapore dollar against the following currencies at the reporting date would increase/ (decrease) profit after tax by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant.

	The C	The Group		mpany
	2024	2024 2023		2023
	\$'000	\$'000	\$'000	\$'000
Profit after tax				
USD	1,625	2,435	825	1,383

A 10% weakening of Singapore dollar against the above currencies would have had the equal but opposite effect on the above currency to the amounts shown above, on the basis that all other variables remain constant.

There is no impact on equity.

Market price risk

Market price risk is the risk that the fair value or future cash flows of the Group's financial instruments will fluctuate because of changes in market prices.

Market price risk arises from financial assets at fair value through profit or loss.

Equity securities price risk

The Group is exposed to equity securities price risk because of investments held by the Group which are classified as financial assets at fair value through profit or loss.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

30 FINANCIAL RISK MANAGEMENT (CONTINUED)

Market price risk (Continued)

Sensitivity analysis

A 10% increase/(decrease) in the underlying equity prices at the reporting date, with all other variables held constant, would increase/(decrease) profit before tax by the following amounts:

	The (The Group		ompany
	10% increase \$'000	10% decrease \$'000	10% increase \$'000	10% decrease \$'000
30 April 2024				
Profit before tax	859	(859)	778	(778)
30 April 2023				
Profit before tax	1,726	(1,726)	1,604	(1,604)

Liquidity risk

Liquidity risk is the risk that the Group or the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value.

The Group monitors its liquidity risk and maintains a level of cash and bank balances deemed adequate by management to finance the Group's operations and to mitigate the effects of fluctuations in cash flows for a period of 60 days.

The Group funds its operations through a mix of internal funds and bank borrowings, and reviews regularly its liquidity reserves comprising free cash flows from its operations and undrawn facilities from banks.

The Group manages its liquidity where excess funds are equalised internally through intercompany accounts. Depending on specifics of each funding requirement, funding for its operating subsidiaries may be sourced directly from the Group's bankers or indirectly through the Company.

As at 30 April 2024, the Company's total current liabilities, exceeded its current assets by \$10.8 million (2023 – \$7.0 million). Management operates a centralised cash and treasury function and monitors the cashflow position of the Company and its entities within the Group and deploys its available cash amongst these entities. There is no implication to the Group which reported net current assets of \$2.9 million (2023 – \$19.5 million) as at 30 April 2024.

NOTES TO THE FINANCIAL STATEMENTS

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

30 FINANCIAL RISK MANAGEMENT (CONTINUED)

Liquidity risk (Continued)

The Company is exposed to liquidity risk as the Company's current liabilities exceeded its current assets. Funding requirements, where required, will be met by the settlement of balance with subsidiaries. Management has assessed the cash flow forecast of the Company for the next 12 months from the reporting date and ascertained that the Company will be able to meet its liabilities as and when they fall due in the next 12 months.

31 FAIR VALUE MEASUREMENT

Definition of fair value

SFRS(I)s define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Fair value hierarchy

The table below analyses financial instruments carried at fair value, by valuation method. The different levels have been defined as follows:

Level 1 : quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2 : inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either

directly (as is prices) or indirectly (i.e. derived from prices); and

Level 3 : inputs for the asset or liability that are not based on observable market date.

The following table shows the levels within the hierarchy of financial assets and liabilities measured at fair value on a recurring basis:

The Group	Level 1 \$'000	Level 2 \$'000	Level 3 \$'000	Total \$'000
30 April 2024				
Financial assets				
Equity investments at FVTPL (Note 9)	804	7,785		8,589
30 April 2023				
Financial assets				
Equity investments at FVTPL (Note 9)	1,223	16,037		17,260

ANNUAL REPORT 2024

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

31 FAIR VALUE MEASUREMENT (CONTINUED)

Fair value hierarchy (Continued)

The Company	Level 1 \$'000	Level 2 \$'000	Level 3 \$'000	Total \$'000
30 April 2024				
Financial assets				
Equity investments at FVTPL (Note 9)		7,785		7,785
30 April 2023				
Financial assets				
Equity investments at FVTPL (Note 9)		16,037		16,037

At the reporting date, the fair value of the unquoted equity investment is represented by the Group's share in the net assets value of a fund, determined based on the quoted market prices of the underlying quoted investments and other liquid financial assets held in the portfolio of the fund at the end of the reporting period and they are included in Level 2 of the fair value hierarchy.

Investment properties

The Group's investment properties are stated at fair value based on independent professional valuations. The fair values are based on open market values, being the estimated amount for which a property could be exchanged on the date of the valuation between a willing buyer and a willing seller in an arm's length transaction wherein the parties had each acted knowledgeably and without compulsion. The valuers have considered valuation techniques including market comparison method and discounted cash flows in arriving at the open market value as at the balance sheet date. In determining the fair value, the valuers have used valuation techniques which involve certain estimates. The key assumptions used to determine the fair value of investment properties include comparable sales, discount rate and rental rates, as well as estimated costs to complete in relation to investment properties under development. At the end of the reporting period, the Group's investment properties are included in Level 3 of the fair value hierarchy.

Equity investments

The fair value of quoted equity is determined by reference to their quoted closing bid price at the reporting date. The fair value may be adjusted to reflect illiquidity or transferability for quoted equity that are not traded in active market or subject to transfer restrictions.

The unquoted equity investments are managed by a fund manager and the fair values are based on the quoted market prices of the underlying quoted investments (Level 2 of the fair value hierarchy).

Non-derivative financial assets and liabilities

The carrying amounts of financial assets and liabilities with a maturity of less than one year (including trade and other receivables, cash and bank balances, trade and other payables, loans and borrowings, lease liabilities) or those which reprice within six months are assumed to approximate their fair value because of the short period to maturity or repricing. All other financial assets and liabilities are discounted to determine their fair values.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

31 FAIR VALUE MEASUREMENT (CONTINUED)

Interest rates used in determining fair values

Fair value, which is determined for disclosure purposes, is calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.

	2024	2023
The Group and The Company	%	%
Loans and borrowings	2.00 - 6.32	2.00 - 6.32
Lease liabilities	2.77 - 6.64	3.20 - 5.80

Valuation techniques and significant unobservable inputs

The following tables show the valuation techniques used in measuring Level 2 and Level 3 fair values, as well as the significant unobservable inputs used.

Assets and liabilities measured at fair value

Туре	Valuation technique	Significant unobservable inputs	Inter-relationship between key unobservable inputs and fair value measurement
The Group Investment properties			
- Industrial factory	Discounted cash flows: The valuation model estimates and projects an income stream over a period and discounting the income stream with an internal rate of return to arrive at the market value.	 Discount rate: 6.22% (2023 – 6.28%) Rental rates: \$41 to \$130 (2023 – \$42 to \$133) per square metre per annum 	The estimated fair value would increase/(decrease) if: • the discount rate was lower/(higher); and • the rental rate was higher/(lower).
- Residential property	Market comparison approach: The valuation model analyses comparable sales of similar properties and adjusting the sale prices to be reflective of the investment properties.	 In-house adjustments made by valuer on comparable prices of \$2,292 to \$4,060 (2023 – \$2,492 to \$3,876) per square metre Estimated cost to complete the construction 	The estimated fair value would increase/(decrease) if: • the adjustments and comparable prices were higher/(lower); and • the estimated cost to complete the construction was lower/ (higher).

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

31 FAIR VALUE MEASUREMENT (CONTINUED)

Assets and liabilities measured at fair value (Continued)

Sensitivity analysis

For the fair values of investment properties, reasonably possible changes at the reporting date to one of the significant unobservable inputs, holding other inputs constant, would increase/(decrease) profit before tax by the amounts shown.

	Profit before tax	
The Group	\$'000	\$'000
30 April 2024		
Investment properties		
- Discount rate (1% increase)/1% decrease	(16,552)	16,552
- Rental rates 5% increase/(5% decrease)	48	(48)
- Comparable prices 5% increase/(5% decrease)	2,109	(2,109)
	Profit be	fore tax
The Group	\$'000	\$'000
30 April 2023		
Investment properties		
- Discount rate (1% increase)/1% decrease	(11,642)	11,642
- Rental rates 5% increase/(5% decrease)	4,910	(4,910)
- Comparable prices 5% increase/(5% decrease)	2,220	(2,220)

Level 3: Fair value measurements

The reconciliation of the carrying amounts of non-financial assets related to investment properties classified within Level 3 is disclosed in Note 6.

32 NON-CONTROLLING INTERESTS

The following Group's subsidiaries have non-controlling interests that are material to the Group:

	Country of incorporation/		Ownership interests held by non-controlling interests	
Name of subsidiaries	principal place of business	Operating segment	2024 %	2023 %
Freight Links Express (Thailand) Co., Ltd ("FLET")	Thailand	Freight & logistics	51	51
Fervent Industrial Development (Suzhou) Co., Ltd ("FIDSC")	People's Republic of China	Real estate	52	52

The following summarised financial information of each of the Group's subsidiaries with material NCI, based on their respective financial statements prepared in accordance with SFRS(I), modified for fair value adjustments on acquisition and differences in the Group's accounting policies.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE FINANCIAL YEAR ENDED 30 APRIL 2024

33 DISPOSAL OF SUBSIDIARIES

Disposal in FY2024

Glory Capital Pte. Ltd.

In June 2023, the Group deregistered its 65% owned subsidiary, Glory Capital Pte. Ltd. There is no financial impact on the disposal of subsidiary.

34 SUBSEQUENT EVENTS

Subsequent to the balance sheet date, exempt (one-tier) dividends of 0.2 cent per share amounting to \$1.4 million were proposed by the Company in respect of the financial year ended 30 April 2024.

On 19 July 2024, the Company announced that the Group's associate – Vibrant Pucheng had been issued with a hearing notice from the PRC Court in connection with a legal claim by Shanghai Pudong Development Bank Co Ltd amounting to RMB30.4 million for the non-repayment of principal and interest payments on loan facilities extended, and other fees. The legal claim was subsequently novated to China CITIC Financial Asset Management Co Ltd.

Vibrant Pucheng is currently seeking legal advice on the matter from its PRC legal advisers. Management does not expect the legal proceedings to have a material impact on the Group as the principal amount and interest have been accounted for in the financial statements of Vibrant Pucheng as at the reporting date.

Na	me of Director	Albert Chew Khat Khiam	Francis Lee Fook Wah	
off	Disclose the following matters concerning an appointment of director, chief executive officer, chief financial officer, chief operating officer, general manager or other officer of equivalent rank. If the answer to any question is "yes", full details must be given.			
a.	Whether at any time during the last 10 years, an application or a petition under any bankruptcy law of any jurisdiction was filed against him or against a partnership of which he was a partner at the time when he was a partner or at any time within 2 years from the date he ceased to be a partner?	No	No	
b.	Whether at any time during the last 10 years, an application or a petition under any law of any jurisdiction was filed against an entity (not being a partnership) of which he was a director or an equivalent person or a key executive, at the time when he was a director or an equivalent person or a key executive of that entity or at any time within 2 years from the date he ceased to be a director or an equivalent person or a key executive of that entity, for the winding up or dissolution of that entity or, where that entity is the trustee of a business trust, that business trust, on the ground of insolvency?	No	No	
C.	Whether there is any unsatisfied judgment against him?	No	No	
d.	Whether he has ever been convicted of any offence, in Singapore or elsewhere, involving fraud or dishonesty which is punishable with imprisonment, or has been the subject of any criminal proceedings (including any pending criminal proceedings of which he is aware) for such purpose?	No	No	

Na	me of Director	Albert Chew Khat Khiam	Francis Lee Fook Wah
e.	Whether he has ever been convicted of any offence, in Singapore or elsewhere, involving a breach of any law or regulatory requirement that relates to the securities or futures industry in Singapore or elsewhere, or has been the subject of any criminal proceedings (including any pending criminal proceedings of which he is aware) for such breach?	No	No
f.	Whether at any time during the last 10 years, judgment has been entered against him in any civil proceedings in Singapore or elsewhere involving a breach of any law or regulatory requirement that relates to the securities or futures industry in Singapore or elsewhere, or a finding of fraud, misrepresentation or dishonesty on his part, or he has been the subject of any civil proceedings (including any pending civil proceedings of which he is aware) involving an allegation of fraud, misrepresentation or dishonesty on his part?	No	No
g.	Whether he has ever been convicted in Singapore or elsewhere of any offence in connection with the formation or management of any entity or business trust?	No	No
h.	Whether he has ever been disqualified from acting as a director or an equivalent person of any entity (including the trustee of a business trust), or from taking part directly or indirectly in the management of any entity or business trust?	No	No

Na	me of Director	Albert Chew Khat Khiam	Francis Lee Fook Wah
i.	Whether he has ever been the subject of any order, judgment or ruling of any court, tribunal or governmental body, permanently or temporarily enjoining him from engaging in any type of business practice or activity?	No	No
j.	Whether he has ever, to his knowledge, been concerned with the management or conduct, in Singapore or elsewhere, of the affairs of:		
	i. any corporation which has been investigated for a breach of any law or regulatory requirement governing corporations in Singapore or elsewhere; or	No	Yes Mr Lee was the manager of a corporation investigated by the CAD for a breach of regulatory requirements/laws governing corporations in Singapore. To the best of his knowledge and as far as he is aware, the investigations involved or were related to certain directors of the corporation and not himself.
	ii. any entity (not being a corporation) which has been investigated for a breach of any law or regulatory requirement governing such entities in Singapore or elsewhere; or	No	No
	iii. any business trust which has been investigated for a breach of any law or regulatory requirement governing business trusts in Singapore or elsewhere; or	No	No

Name of Director	Albert Chew Khat Khiam	Francis Lee Fook Wah
iv. any entity or business trust which has been investigated for a breach of any law or regulatory requirement that relates to the securities or futures industry in Singapore or elsewhere, in connection with any matter occurring or arising during that period when he was so concerned with the entity or business trust?	No	No
k. Whether he has been the subject of any current or past investigation or disciplinary proceedings, or has been reprimanded or issued any warning, by the Monetary Authority of Singapore or any other regulatory authority, exchange, professional body or government agency, whether in Singapore or elsewhere?	No	No
Disclosure applicable to appointmen	t of Director Only	
Any prior experience as a director of an issuer listed on the Exchange? If yes, please provide details of prior experience.	Not applicable	Not applicable
If no, please state if the director has attended or will be attending training on the roles and responsibilities of a director of a listed issuer as prescribed by the Exchange.		
Please provide details of relevant experience and the nominating committee's reasons for not requiring the director to undergo training as prescribed by the Exchange (if applicable).		

^{*} Under the Code, the term "principal commitments" includes all commitments which involve significant time commitment such as full-time occupation, consultancy work, committee work, non-listed company board representations and directorships and involvement in non-profit organisations. Where a director sits on the boards of non-active related corporations, those appointments should not normally be considered principal commitments.

NOTICE OF ANNUAL GENERAL MEETING

NOTICE IS HEREBY GIVEN that the Annual General Meeting ("**AGM**") of Vibrant Group Limited (the "**Company**") will be held at 51 Penjuru Road, #04-00, Singapore 609143 on Friday, 30 August 2024 at 10.00 a.m. for the following purposes:

AS ORDINARY BUSINESS

- 1. To receive and adopt the Directors' Statement and the Audited Financial Statements for the year ended 30 April 2024 ("FY2024") together with the Auditors' Report thereon. (Resolution 1)
- 2. To approve the Directors' Fees of up to S\$210,000 for the year ending 30 April 2025, to be paid quarterly in arrears. (Resolution 2)
- 3. To declare a first and final tax exempt (one-tier) dividend of 0.2 Singapore cent per ordinary share for FY2024 (2023: 0.1 Singapore cent). (Resolution 3)
- 4. To re-elect Mr. Albert Chew Khat Khiam who is retiring under Regulation 94 of the Company's Constitution.

(Resolution 4)

[See Explanatory Note (1)]

5. To re-elect Mr. Francis Lee Fook Wah who is retiring under Regulation 94 of the Company's Constitution.

(Resolution 5)

[See Explanatory Note (2)]

6. To re-appoint Foo Kon Tan LLP as Auditors of the Company and to authorise the Directors to fix their remuneration. (Resolution 6)

AS SPECIAL BUSINESS

To consider and, if thought fit, to pass the following resolutions, with or without amendments, as Ordinary Resolutions:

7. Authority to issue Shares up to 50 per centum (50%) of the issued shares in the capital of the Company

That pursuant to Section 161 of the Companies Act 1967 of Singapore and Rule 806 of the Listing Manual of the SGX-ST, the Directors of the Company be authorised and empowered to:

- (a) (i) issue shares and convertible securities in the Company ("shares") whether by way of rights, bonus or otherwise; and/or
 - (ii) make or grant offers, agreements or options (collectively, "Instruments") that might or would require shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) options, warrants, debentures or other instruments convertible into shares,
 - at any time and upon such terms and conditions and for such purposes and to such persons as the Directors of the Company may in their absolute discretion deem fit; and
- (b) (notwithstanding the authority conferred by this Resolution may have ceased to be in force) issue shares in pursuance of any Instrument made or granted by the Directors of the Company while this Resolution was in force,

NOTICE OF ANNUAL GENERAL MEETING

provided that:

- (1) the aggregate number of shares (including shares to be issued in pursuance of the Instruments, made or granted pursuant to this Resolution) and Instruments to be issued pursuant to this Resolution shall not exceed fifty per centum (50%) of the total number of issued shares (excluding treasury shares) in the capital of the Company (as calculated in accordance with sub-paragraph (2) below), of which the aggregate number of shares and Instruments to be issued other than on a pro-rata basis to existing shareholders of the Company shall not exceed twenty per centum (20%) of the total number of issued shares (excluding treasury shares) in the capital of the Company (as calculated in accordance with sub-paragraph (2) below);
- (2) (subject to such calculation as may be prescribed by the SGX-ST) for the purpose of determining the aggregate number of shares and Instruments that may be issued under sub-paragraph (1) above, the percentage of issued shares and Instruments shall be based on the total number of issued shares (excluding treasury shares) in the capital of the Company at the time of the passing of this Resolution, after adjusting for:
 - new shares arising from the conversion or exercise of the Instruments or any convertible securities that
 have been issued pursuant to any previous shareholders' approval and which are outstanding as at the
 date of the passing of this Resolution;
 - (ii) new shares arising from exercising share options or vesting of share awards outstanding and subsisting at the time of the passing of this Resolution; and
 - (iii) any subsequent bonus issue, consolidation or subdivision of shares;
- (3) in exercising the authority conferred by this Resolution, the Company shall comply with the provisions of the Listing Manual of the SGX-ST for the time being in force (unless such compliance has been waived by the SGX-ST) and the Company's Constitution; and
- (4) unless revoked or varied by the Company in general meeting, such authority conferred by this Resolution shall continue in force (i) until the conclusion of the next Annual General Meeting of the Company or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is the earlier or (ii) in the case of shares to be issued in pursuance of the Instruments, made or granted pursuant to this Resolution, until the issuance of such shares in accordance with the terms of the Instruments.

(Resolution 7)

[See Explanatory Note (3)]

8. Renewal of the Share Buyback Mandate

That:

- (a) for the purposes of Sections 76C and 76E of the Companies Act 1967 of Singapore (the "Companies Act"), the exercise by the Directors of the Company of all the powers of the Company to purchase or otherwise acquire issued ordinary shares in the capital of the Company (the "Shares") not exceeding in aggregate the Maximum Limit (as hereafter defined), at such price or prices as may be determined by the Directors of the Company from time to time up to the Maximum Price (as hereafter defined), whether by way of:
 - an on-market purchase ("On-Market Purchase") transacted through the SGX-ST's Central Limit Order Book trading system, through one or more duly licensed stockbrokers appointed by the Company for such purpose; and/or

NOTICE OF ANNUAL GENERAL MEETING

(ii) an off-market purchase ("Off-Market Purchase") pursuant to an equal access scheme(s) (as defined in Section 76C of the Companies Act) as may be determined or formulated by the Directors as they consider fit, of which such scheme(s) shall satisfy all the conditions pursuant to the Share Buyback Mandate,

and otherwise in accordance with all other laws and regulations and rules of SGX-ST as may for the time being applicable, be and is hereby authorised and approved generally and unconditionally (the "Share Buyback Mandate");

- (b) unless varied or revoked by the Company in general meeting, the authority conferred on the Directors of the Company pursuant to the Share Buyback Mandate may be exercised by the Directors of the Company at any time and from time to time during the period commencing from the date of the passing of this Resolution and expiring on the earlier of:
 - (i) the date on which the next Annual General Meeting of the Company is held;
 - (ii) the date by which the next Annual General Meeting of the Company is required by law to be held;
 - (iii) the date on which the authority conferred by the Share Buyback Mandate is revoked or varied by the Company in general meeting; or
 - (iv) the date on which the share purchases pursuant to the Share Buyback Mandate are carried out to the full extent mandated;
- (c) in this Resolution:
 - "Maximum Limit" means that number of Shares representing 10% of the issued ordinary share capital of the Company as at the date of the passing of this Resolution; and
 - "Maximum Price" in relation to a Share to be purchased or acquired, means the purchase price (excluding brokerage fees, stamp duties payable, applicable goods and services tax and other related expenses) to be paid per Share for any Share Buybacks shall be determined by the Directors, subject always to a maximum price ("Maximum Price") which:
 - (i) in the case of an On-Market Purchase, shall mean the price per Share based on not more than 5% above the Average Closing Price of the Shares; and
 - (ii) in the case of an Off-Market Purchase pursuant to an equal access scheme, shall mean the price per Share based on not more than 10% above the Average Closing Price.

Where:

"Average Closing Price" means the average of the closing market prices of a Share over the 5 consecutive trading days on which the Shares are transacted on the SGX-ST immediately preceding the date of the on-market purchase by the Company or, as the case may be, the date of the making of the offer pursuant to the off-market purchase, and deemed to be adjusted in accordance with the listing rules of the SGX-ST, for any corporate action which occurs after the relevant 5 day period;

NOTICE OF ANNUAL GENERAL MEETING

"date of the making of the offer" means the date on which the Company makes an offer for an off-market purchase, stating therein the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the off-market purchase; and

(d) the Directors of the Company and/or any of them be and are hereby authorised to complete and do all such acts and things (including executing such documents as may be required) as they and/or he may consider expedient or necessary to give effect to the transactions contemplated and/or authorised by this Resolution.

(Resolution 8)

[See Explanatory Note (4)]

9. To transact any other business that can be transacted at an Annual General Meeting of which due notice shall have been given.

BY ORDER OF THE BOARD

Noraini Binte Noor Mohamed Abdul Latiff

Company Secretary

Singapore, 14 August 2024

Explanatory Notes:

- (1) Mr. Albert Chew Khat Khiam will, upon re-election as a Director of the Company, remain as an Independent Non-Executive Director of the Company, and a member of the Audit Committee, the Nominating Committee and the Remuneration Committee. Mr. Chew is considered by the Board of Directors to be independent for the purposes of Mainboard Rule 704(8) of the Listing Manual.
- (2) Mr. Francis Lee Fook Wah will, upon re-election as a Director of the Company, remain as an Executive Director and Chief Financial Officer of the Company.
- (3) Resolution 7 proposed in item 7 above, if passed, will empower the Directors from the date of this Meeting until the date of the next Annual General Meeting to issue shares and convertible securities in the Company, without seeking any further approval from the shareholders at a general meeting but within the limitation imposed by this Resolution, for such purposes as the Directors may consider in the interests of the Company. This proposed Resolution, if passed, will authorise and empower the Directors of the Company to issue up to a number not exceeding, in total 50% of the total number of issued shares (excluding treasury shares) in the capital of the Company, of which up to 20% may be issued other than on a pro-rata basis to existing shareholders of the Company.
- (4) Resolution 8 proposed in item 8 above, is to renew the mandate to empower Directors of the Company to make purchases or otherwise acquire the Company's issued ordinary shares from time to time subject to and in accordance with the guidelines set out in Appendix A of the Company's Letter to Shareholders dated 14 August 2024 accompanying this Notice of Annual General Meeting. This authority will expire at the conclusion of the next Annual General Meeting of the Company, unless previously revoked or varied.

Notes:

The AGM will be held physically and members are invited to attend the AGM physically ("Physical AGM"). There will be no option for members to participate the Physical AGM virtually.

1. Access to Documents or Information Relating to the AGM

Documents relating to the Physical AGM are available to members via publication on the SGX website at https://www.sgx.com/securities/company-announcements and the Company's corporate website at http://www.vibrant.com.sg/investor-relations/sgx-announcements/.

Printed copies of the Notice of AGM, Proxy Form, and Request Form will be sent to members.

2. Submission of Proxy Form to Vote

A member of the Company entitled to attend and vote at the AGM is entitled to appoint not more than 2 proxies to attend and vote in his/her stead. A proxy need not be a member of the Company.

NOTICE OF ANNUAL GENERAL MEETING

A member who is not a relevant intermediary (as defined in section 181 of the Singapore Companies Act 1967) is entitled to appoint not more than 2 proxies and where 2 proxies are appointed, shall specify the proportion of shareholding to be represented by each proxy.

A member who is a relevant intermediary is entitled to appoint more than 2 proxies and where such member's proxy form appoints more than 1 proxy, the number of and class of shares in relation to which each proxy has been appointed shall be specified in the proxy form. Each proxy must be appointed to exercise the rights attached to the different share or shares held by such member.

In any case where more than 1 proxy is appointed, the proportion of the shareholding concerned to be represented by each proxy shall be specified in the proxy form. If no such proportion or number is specified, the first named proxy may be treated as representing 100 per cent of the shareholding and any second named proxy as an alternate to the first named.

Investors holding shares under the Central Provident Fund Investment Schemes ("CPF Investors") and/or Supplementary Retirement Scheme ("SRS Investors") should approach their respective CPF Agent Banks or SRS Operators to submit their votes at least 7 working days before the AGM (ie. by 10.00 a.m. on 20 August 2024). CPF/SRS Investors should contact their respective CPF Agent Banks or SRS Operators for any queries they may have with regard to the appointment of proxy for the AGM.

The instrument appointing a proxy, together with the power of attorney or other authority under which it is signed (if applicable) or a duly certified copy thereof, must be submitted in the following manner:

- (a) if submitted by hand or by post, be deposited at the registered office of the Company at: VIBRANT GROUP LIMITED, 51 Penjuru Road, #04-00, Singapore 609143; or
- (b) if submitted by email, be sent to corporate@vibrant.com.sg using a clear scanned signed form in PDF,

in each case, by 10.00 a.m. on 27 August 2024 being not less than 72 hours before the time appointed for the holding of the AGM.

The Company shall be entitled to reject the instrument appointing a proxy or proxies if it is incomplete, improperly completed or illegible or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing a proxy or proxies. In addition, in the case of shares entered in the Depository Register (as defined in Section 81F of the SFA), the Company may reject any instrument appointing a proxy or proxies lodged if the member, being the appointor, is not shown to have shares entered against his/her name in the Depository Register as at 72 hours before the time appointed for holding the AGM (i.e. by 10.00 a.m. on 27 August 2024), as certified by The Central Depository (Pte) Limited to the Company.

A corporation which is a member of the Company may authorise by resolutions of its directors or other governing body, such person as it thinks fit to act as its representative at the meeting.

The instrument appointing a proxy must be signed by the appointor or his/her attorney duly authorised in writing. Where the instrument appointing a proxy is executed by a corporation, it shall be executed either under its common seal or under the hand of any officer or attorney duly authorised. The power of attorney or other authority, if any, under which the instrument of proxy is signed on behalf of the member or duly certified copy of that power of attorney or other authority (failing previous registration with the Company) shall be attached to the instrument of proxy, failing which the instrument may be treated as invalid.

3. Submission of Questions in Advance

Members may submit their questions in relation to the business of the AGM by email to corporate@vibrant.com.sg. All questions must be submitted within 7 calendar days from the date of this Notice of AGM, i.e. by 10.00 a.m. on 21 August 2024 ("**Cut-Off Time**"). After the Cut-Off Time, if there are subsequent clarifications or follow-up on the questions submitted, these will be addressed at the Physical AGM.

The Company will endeavor to address questions which are substantial and relevant and received from members who are verifiable against the Depository Register or the Register of Members.

Verified members and Proxy(ies) attending the Physical AGM will be able to ask questions in person at the AGM venue. The Company will, within 30 days after the date of the AGM, publish the minutes of the AGM on SGXNET and the Company's website and the minutes will include the responses to the questions referred to above.

4. General

The Company shall be entitled to reject the instrument appointing a proxy or proxies if it is incomplete, improperly completed or illegible or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing a proxy or proxies. In addition, in the case of Shares entered in the Depository Register, the Company may reject any instrument appointing a proxy or proxies lodged if the member, being the appointor, is not shown to have Shares entered against his/her name in the Depository Register as at seventy-two (72) hours before the time appointed for holding the AGM of the Company, as certified by The Central Depository (Pte) Limited to the Company.

Members are strongly encouraged to submit completed proxy forms electronically via email.

NOTICE OF ANNUAL GENERAL MEETING

PERSONAL DATA PRIVACY

By attending the Physical AGM and/or any adjournment thereof and/or submitting the Proxy Form appointing a proxy(ies) and/or representative(s) to attend, speak and vote at the Physical AGM and/or any adjournment thereof, a member of the Company (a) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents or service providers) for the purpose of the processing and administration by the Company (or its agents or service providers) of proxies and representatives appointed for the AGM (including any adjournment thereof) and the preparation and compilation of the attendance lists, minutes and other documents relating to the AGM (including any adjournment thereof), and in order for the Company (or its agents or service providers) to comply with any applicable laws, listing rules, regulations and/or guidelines (collectively, the "Purposes"), and (b) warrants that where the member discloses the personal data of the member's proxy(ies) and/or representative(s) to the Company (or its agents or service providers), the member has obtained the prior consent of such proxy(ies) and/or representative(s) for the collection, use and disclosure by the Company (or its agents or service providers) of the personal data of such proxy(ies) and/or representative(s) for the Purposes and (c) agrees that the member will indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.

NOTICE OF RECORD DATE AND PAYMENT DATE FOR THE FIRST AND FINAL DIVIDEND

NOTICE IS HEREBY GIVEN that the Share Transfer Books and Register of Members of Vibrant Group Limited (the "**Company**") will be closed at 5.00 p.m. on 9 September 2024 for the purpose of determining shareholders' entitlement to a First and Final tax exempt (one-tier) cash Dividend of 0.2 Singapore cent per ordinary share for the financial year ended 30 April 2024 ("**2024 Dividend**").

Shareholders whose securities accounts with The Central Depository (Pte) Limited credited with shares of the Company as at 5.00 p.m. on 9 September 2024 will be entitled to the 2024 Dividend.

Duly completed registrable transfer of shares received by the Company's Registrar, Tricor Barbinder Share Registration Service at 9 Raffles Place, Republic Plaza, Tower I, #26-01, Singapore 048619 up to 5.00 p.m. on 9 September 2024 will be registered to determine shareholders' entitlements to 2024 Dividend.

The 2024 Dividend, if approved at the Annual General Meeting to be held on 30 August 2024, will be paid on 23 September 2024.
